

Indiana Department of Environmental Management Office of Water Quality Wetlands Section

Publication Date:
July 18, 2024

IDEM ID Number:
2024-561-49-GCW-WQC

Closing Date:
August 8, 2024

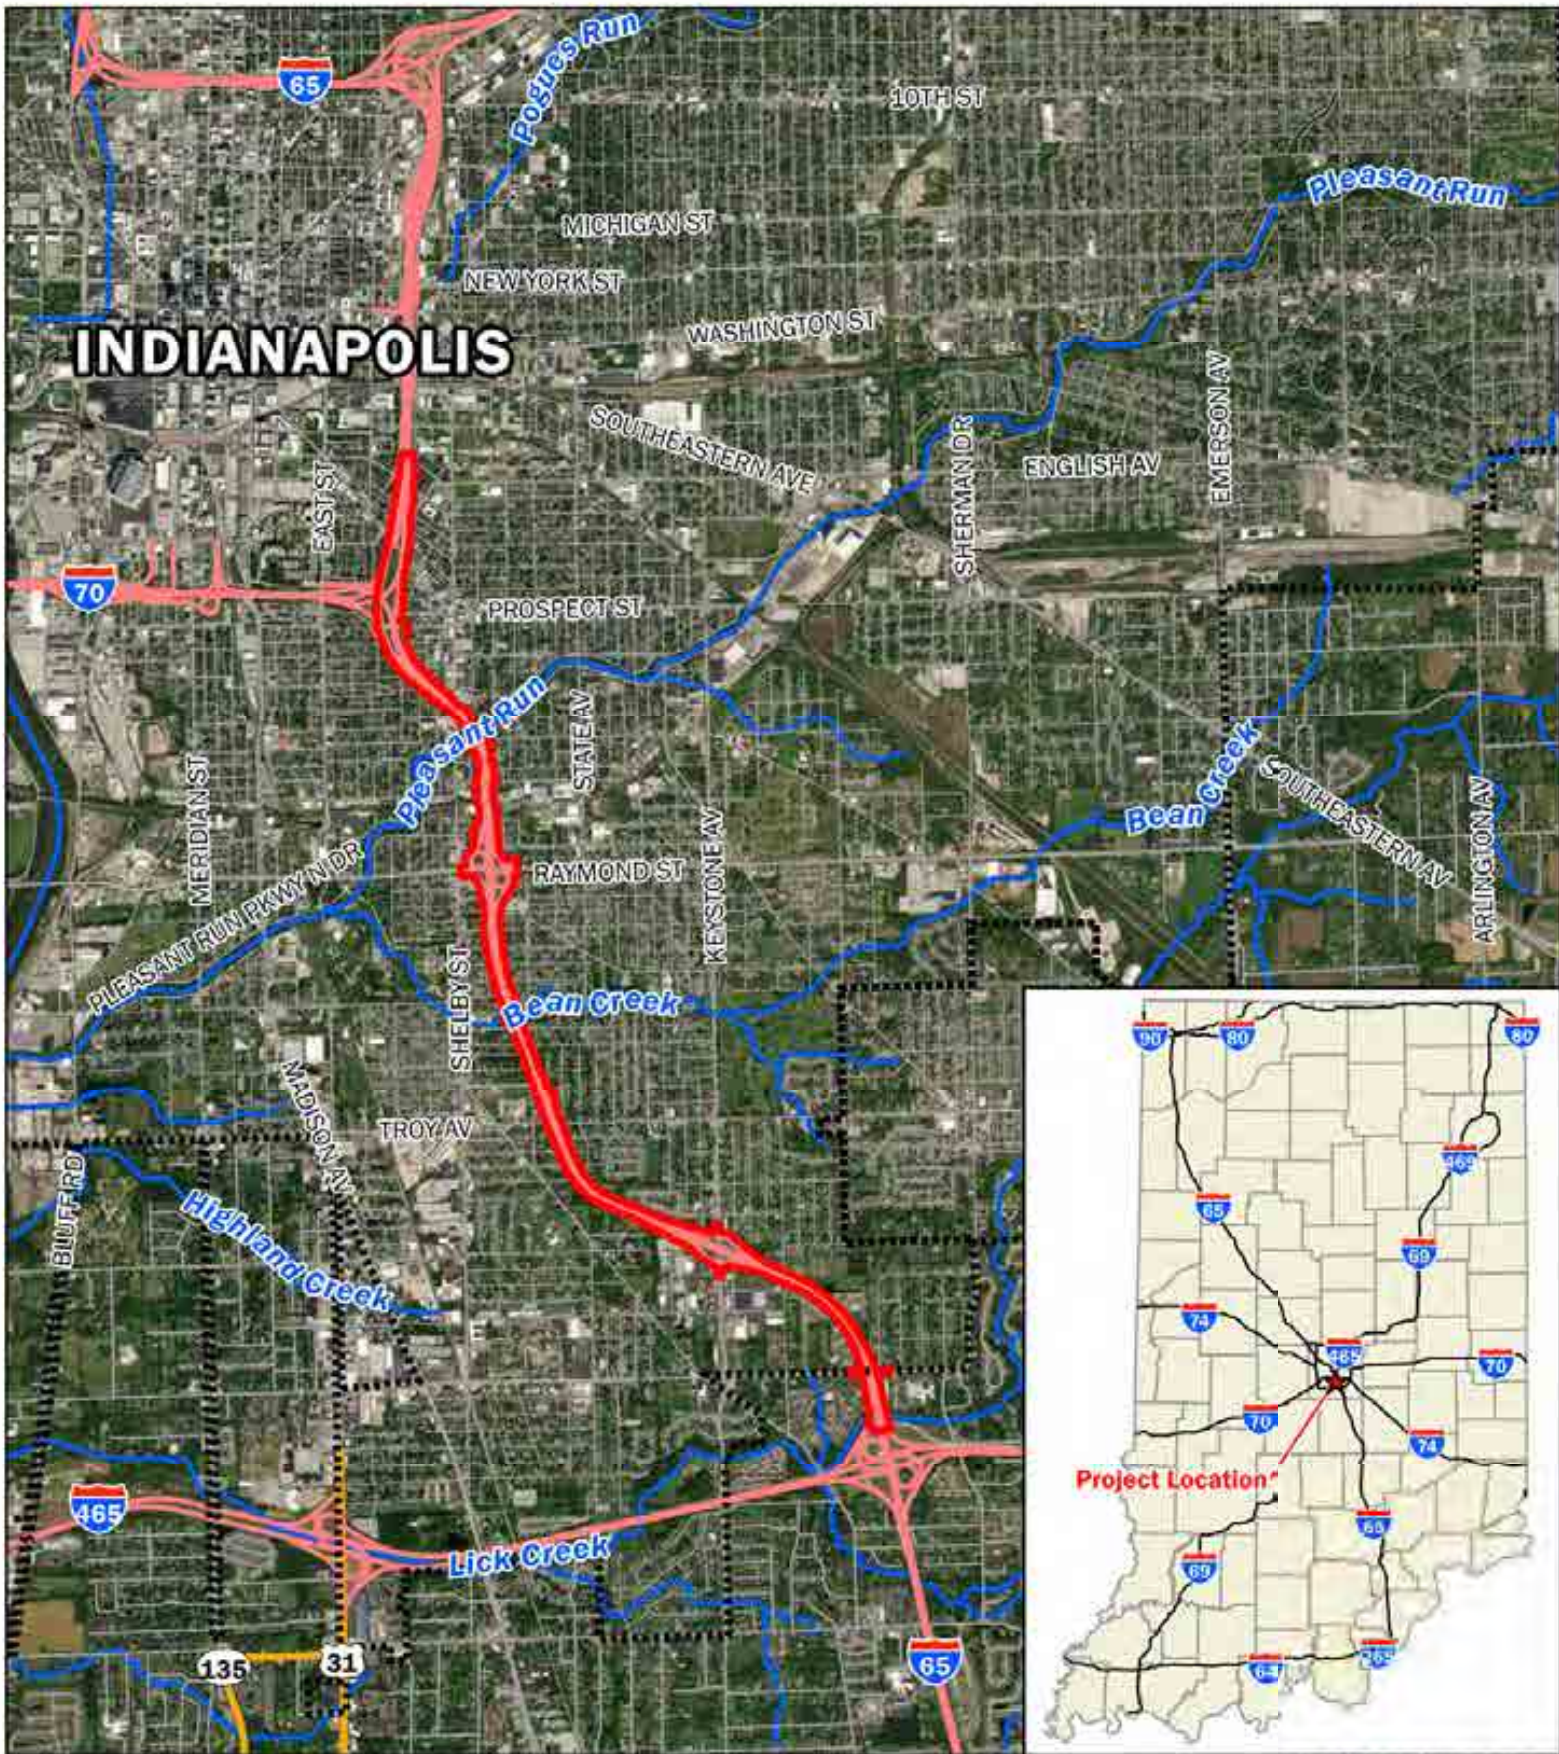

PUBLIC NOTICE

Corps of Engineers ID Number:
LRL-2023-683

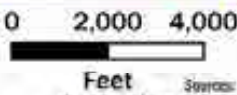

To all interested parties:

This letter shall serve as a formal notice of the receipt of an application for **Section 401 Water Quality Certification** by the Indiana Department of Environmental Management (IDEM). The purpose of the notice is to inform the public of active applications submitted for water quality certification under Section 401 of the Clean Water Act (33 U.S.C. § 1341) and to solicit comments and information on any impacts to water quality related to the proposed project. IDEM will evaluate whether the project complies with Indiana's water quality standards as set forth at 327 IAC 2.

- 3. Project location:** Along I-65 in Indianapolis, starting 0.19 mile north of the interchange with I-465 and ending 0.05 mile north of the I-70 interchange.
- 4. Affected waterbody:** Lick Creek, two (2) UNTs to Lick Creek, Pleasant Run, four (4) emergent wetlands, and one (1) scrub-shrub wetland.
- 5. Project Description:** Roadway improvements will be made to I-65 in Indianapolis. This work will result in 865.5 linear feet of stream impacts due to excavation and the placement of concrete, riprap, and clean earthen fill. Additionally, 0.032 acre of wetland impacts will occur due to the placement of clean earthen fill and riprap. Mitigation will be provided through the purchase of 748.5 linear feet of stream credits and 0.078 acre of wetland credits from the Indiana Stream and Wetland Mitigation Program (INSWMP). Additional information may be found online at <https://www.in.gov/idem/5474.htm>
- Comment period:** Any person or entity who wishes to submit comments or information relevant to the aforementioned project may do so by the closing date noted above. Only comments or information related to water quality or potential impacts of the project on water quality can be considered by IDEM in the water quality certification review process.
- Public Hearing:** Any person may submit a written request that a public hearing be held to consider issues related to water quality in connection with the project detailed in this notice. The request for a hearing should be submitted within the comment period to be considered timely. The request should also state the reason for the public hearing as specifically as possible to assist IDEM in determining whether a public hearing is warranted.
- Questions?** Additional information may be obtained from Graham Wrin, Project Manager, by phone at 317-605-4105 or by e-mail at GCWrin@idem.in.gov. Please address all correspondence to the project manager and reference the IDEM project identification number listed on this notice. Indicate if you wish to receive a copy of IDEM's final decision. Written comments and inquiries may be forwarded to -
