

Indiana Department of Environmental Management Office of Water Quality Wetlands Section

Publication Date: July 19, 2024

IDEM ID Number: 2024-495-19-MMR-A

Closing Date: August 9, 2024

PUBLIC NOTICE

Corps of Engineers ID Number:
LRL-2022-01021-jwr

To all interested parties:

This letter shall serve as a formal notice of the receipt of an application for **Section 401 Water Quality Certification** by the Indiana Department of Environmental Management (IDEM). The purpose of the notice is to inform the public of active applications submitted for water quality certification under Section 401 of the Clean Water Act (33 U.S.C. § 1341) and to solicit comments and information on any impacts to water quality related to the proposed project. IDEM will evaluate whether the project complies with Indiana's water quality standards as set forth at 327 IAC 2.

720 South Colorado Boulevard, Suite 1200-S
Glendale, CO 80246 |
| 3. Project location: | 2465 West 900 South
Huntingburg, IN 47542 | | |
| 4. Affected waterbody: | Unnamed Tributary to Bruner Creek | | |
| 5. Project Description: | A new energy efficient terminal building will be constructed to allow for continued service to airport operators. The project requires to placement of the drainage channel (UNT to Bruner Creek) into a pipe that will be 65 feet by 12 inches. The drainage channel was previously constructed as mitigation for prior impacts to the area by the airport. To offset the impacts of 202 linear feet to this mitigation area, stream credits will be purchased from a mitigation bank at a 2:1 ratio.
Additional information may be found on line at https://www.in.gov/idem/5474.htm | | |

Comment period: Any person or entity who wishes to submit comments or information relevant to the aforementioned project may do so by the closing date noted above. Only comments or information related to water quality or potential impacts of the project on water quality can be considered by IDEM in the water quality certification review process.

Public Hearing: Any person may submit a written request that a public hearing be held to consider issues related to water quality in connection with the project detailed in this notice. The request for a hearing should be submitted within the comment period to be considered timely. The request should also state the reason for the public hearing as specifically as possible to assist IDEM in determining whether a public hearing is warranted.

Questions? Additional information may be obtained from Meghan Rose, Project Manager, by phone at 317-460-6530 or by e-mail at MMROSE@idem.in.gov. Please address all correspondence to the project manager and reference the IDEM project identification number listed on this notice. Indicate if you wish to receive a copy of IDEM's final decision. Written comments and inquiries may be forwarded to:
