## NOTICE OF 30-DAY PERIOD FOR PUBLIC COMMENT

Preliminary Findings Regarding a  
Significant Revision to a  
Federally Enforceable State Operating Permit (FESOP)

for Yamaha Marine Precision Propellers Inc., Greenfield, a Division of Yamaha Marine Systems Company in  
Hancock County

Significant Permit Revision No.: 059-47605-00047

The Indiana Department of Environmental Management (IDEM) has received an application from Yamaha Marine Precision Propellers Inc., Greenfield, a Division of Yamaha Marine Systems Company, located at 1887 West New Road Greenfield, Indiana 46140, for a significant revision of its FESOP/ issued on June 24, 2021. If approved by IDEM's Office of Air Quality (OAQ), this proposed revision would allow Yamaha Marine Precision Propellers Inc., Greenfield, a Division of Yamaha Marine Systems Company to make certain changes at its existing source. Yamaha Marine Precision Propellers Inc., Greenfield, a Division of Yamaha Marine Systems Company has applied to following changes:

- (1) Addition of the several emission units.
- (2) Removal of several emission units.
- (3) Modification of several emission units.

The applicant intends to construct and operate new equipment that will emit air pollutants; therefore, the permit contains new or different permit conditions. In addition, some conditions from previously issued permits/approvals have been corrected, changed, or removed. These corrections, changes, and removals may include Title I changes (e.g., changes that add or modify synthetic minor emission limits). The potential to emit regulated air pollutants will continue to be limited to less than the Title V and PSD major threshold levels. IDEM has reviewed this application and has developed preliminary findings, consisting of a draft permit and several supporting documents, which would allow the applicant to make this change.

A copy of the permit application and IDEM's preliminary findings have been sent to:

Hancock County Public Library Central Library  
900 W Mckenzie Road  
Greenfield, IN 46140

A copy of the preliminary findings is available on the Internet at: <http://www.in.gov/ai/appfiles/idem-caats/>.

A copy of the application and preliminary findings is also available via IDEM's Virtual File Cabinet (VFC). To access VFC, please go to: <https://www.in.gov/idem/> and enter VFC in the search box. You will then have the option to search for permit documents using a variety of criteria.

You may request that IDEM hold a public hearing about this draft permit. If adverse comments concerning the **air pollution impact** of this draft permit are received, with a request for a public hearing, IDEM will decide whether or not to hold a public hearing. IDEM could also decide to hold a public meeting instead of, or in addition to, a public hearing. If IDEM decides to conduct a public hearing and/or public meeting, IDEM will post a separate announcement of the date, time, and location of that public hearing and/or public meeting on IDEM's website (<https://www.in.gov/idem/public-notices/>). At a hearing, you would have an opportunity to submit written comments and make verbal comments.
