PUBLIC NOTICE

To all interested parties: This letter shall serve as a formal notice of the receipt of an application for **Section 401 Water Quality Certification** by the Indiana Department of Environmental Management (IDEM). The purpose of the notice is to inform the public of active applications submitted for water quality certification under Section 401 of the Clean Water Act (33 U.S.C. § 1341) and to solicit comments and information on any impacts to water quality related to the proposed project. IDEM will evaluate whether the project complies with Indiana’s water quality standards as set forth at 327 IAC 2.

| 3. Project Location: | Latitude: 41.459722 Longitude: -87.149722
Site location is within the Shorewood Forest community, along the lake’s cove east of Shorewood Drive and south of Wessex Court. | | |
| 4. Affected Waterbody: | Lake Louise | | |
| 5. Project Description: | The applicant proposes to dredge 1.9 acres of Lake Louise using a mini-dredge and Geo-Tubes to filter sediment from water. Water will be re-released into the lake while sediment will be taken to an area offsite. This project will increase depth around the docks for navigation and recreation. | | |

Comment Period: Any person or entity who wishes to submit comments or information relevant to the aforementioned project may do so by the closing date noted above. Only comments or information related to water quality or potential impacts of the project on water quality can be considered by IDEM in the water quality certification review process.

Public Hearing: Any person may submit a written request that a public hearing be held to consider issues related to water quality in connection with the project detailed in this notice. The request for a hearing should be submitted within the comment period to be considered timely. The request should also state the reason for the public hearing as specifically as possible to assist IDEM in determining whether a public hearing is warranted.

Questions? Additional information may be obtained from Taylor Gillispie, Project Manager, at 317-903-6228 or by e-mail at tgillisp@idem.in.gov. Please address all correspondence to the project manager and reference the IDEM project identification number listed on this notice. Indicate if you wish to receive a copy of IDEM’s final decision. An aerial satellite-style map of a lake. A large, irregular area in the center of the lake is outlined with a thick yellow border. A white arrow points from the text 'Dredge Area' to this yellow-outlined region. The surrounding land includes green lawns, trees, and several houses with swimming pools. A marina with several boats is visible on the right side of the lake. The map interface includes a 'Layers' button in the bottom left and navigation controls (person, disabled, 3D, compass, zoom) in the bottom right.
