## NOTICE OF 30-DAY PERIOD FOR PUBLIC COMMENT

Preliminary Findings Regarding a Part 70 Operating Permit and a  
Significant Source Modification

for Four Woods Laminating, Inc. - Plant 2 in LaGrange County

Part 70 Operating Permit No.: T087-48300-00065

Significant Source Modification No.: 087-48253-00065

The Indiana Department of Environmental Management (IDEM) has received an application from Four Woods Laminating, Inc. - Plant 2, located at 7880 W 700 South, Topeka, Indiana 46571, for a significant source modification and Part 70 Operating Permit. If approved by IDEM's Office of Air Quality (OAQ), this proposed permit would allow Four Woods Laminating, Inc. - Plant 2 to make certain changes at its existing source and to continue to operate its existing source. Four Woods Laminating, Inc. - Plant 2 has applied for construction and operation of a new surface coating line (FL1) with related woodworking and combustion units, modification of the existing emission units (B1, B2, B3 and NGG1), and transition from a Minor Source Operating Permit (MSOP) to a Part 70 Operating Permit and a major source under Section 112 of the Clean Air Act (CAA)

The applicant intends to construct and operate new equipment that will emit air pollutants; therefore, the permit contains new or different permit conditions. In addition, some conditions from previously issued permits/ approvals have been corrected, changed, or removed. These corrections, changes, and removals may include Title I changes (e.g., changes that add or modify synthetic minor emission limits). IDEM has reviewed this application and has developed preliminary findings, consisting of a draft permit and several supporting documents, which would allow the applicant to make this change.

A copy of the permit application and IDEM's preliminary findings have been sent to:

LaGrange County Public Library - Topeka Branch  
133 N. Main St.  
Topeka, Indiana 46571

and

IDEM Northern Regional Office

A copy of the application and preliminary findings is also available via IDEM's Virtual File Cabinet (VFC) located at <https://www.in.gov/idem/legal/public-records/virtual-file-cabinet/>. This notice is posted on IDEM's website (<https://www.in.gov/idem/public-notices/>). The date that this notice is posted on IDEM's website marks the beginning of a 30-day public comment period. If the 30<sup>th</sup> day of the

comment period falls on a day when IDEM offices are closed for business, all comments must be postmarked or delivered in person on the next business day that IDEM is open.

If IDEM decides to conduct a public hearing and/or public meeting, IDEM will post a separate announcement of the date, time, and location of that public hearing and/or public meeting on IDEM's website (<https://www.in.gov/idem/public-notice/>). At a hearing, you would have an opportunity to submit written comments and make verbal comments.
