Procurement

Can I just purchase whatever my agency needs?

Nope! 😊 IDOA is the official procurement agent for all executive branch agencies. Indiana Code 5-22-4-1

State agencies have delegated procurement authority under specific dollar amounts. (less than \$75,000). Those purchases are handled by their Head Procurement Agent (HPA).

Any amount over agency delegation - IDOA Procurement is responsible for the procurement process.

[IDOA: Procurement: Supplier Resource Center \(in.gov\)](https://www.in.gov/idoa/procurement/supplier-resource-center/)

The screenshot shows the IDOA Procurement Supplier Resource Center website. The header includes the IDOA logo and the text "Indiana Department of Administration". A search bar is located in the top right corner. The main content area features several sections:

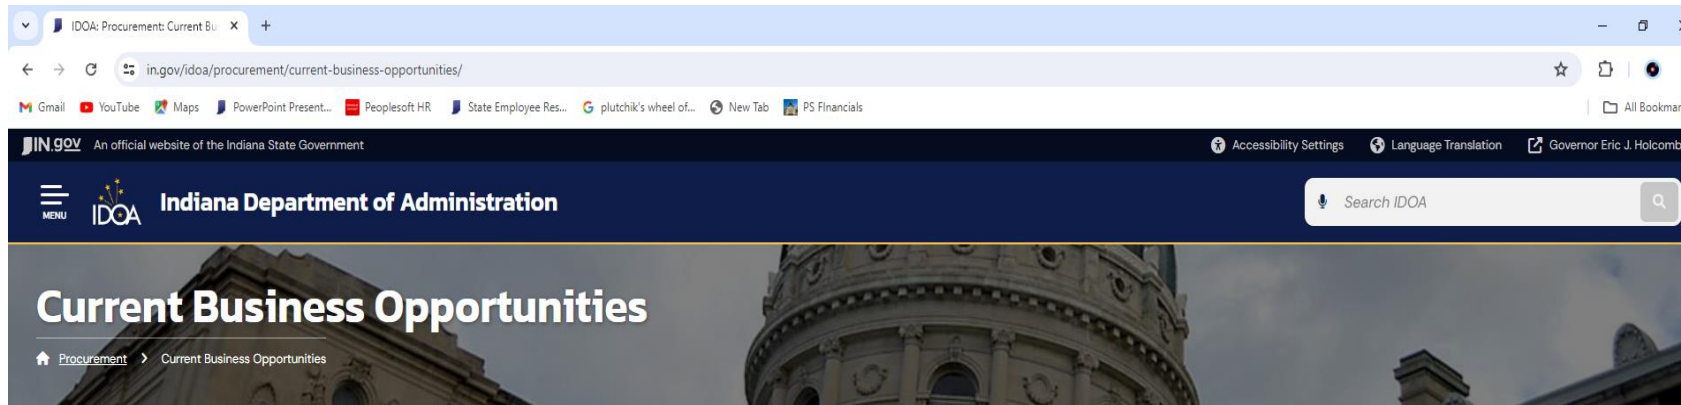

- Requirements to do Business with the State:** A section with a bar chart icon and a "Learn More" button. The text states: "Requirements to do Business with the State. Any company wanting to do business with the State of Indiana must register with the following state agencies: IDOA, COMP, SOS."
- How the State of Indiana Buys:** A section with an image of a pen and money icon and a "Learn More" button. The text states: "The State of Indiana has different methods for purchasing products and services based on the estimated price of the project."
- Programs and Preferences:** A section with a document icon and a "Learn More" button. The text states: "There are a number of programs and preferences that influence the design and evaluation of bids. These can have a large impact on the award of a contract."

At the bottom of the page, there is a table with columns for "IDOA", "COMP", "SOS", "IDOA", "COMP", "SOS", "IDOA", "COMP", "SOS".

Instructions

Thank you for your interest in bid opportunities with the State of Indiana.

It is imperative to review the sourcing documents to adhere to the submission process specific to each event. Timelines remain critical. Each process requires actions to be taken prior to submission that poses potential risk of delay outside the control of the State and of the Respondent. It is **STRONGLY** recommended to review and complete the necessary action steps a minimum of ten (10) business days before the event due date(s). A missed submission date will result in a submission being declined.

Supplier Portal Submission

- To access and submit documents, a Bidder registration is required. This includes those wishing to review the event without intention of submitting a response.
- Create/Verify registration - [Bidder Registration Link](#)
- After completing the registration tasks, the system completes the registration overnight.
- IMPORTANT NOTE: Registration and/or Updating the required email address used to sign in **cannot be done the same day**, as needing to use the Supplier Portal for document download or submission.
- Inability to access to the system will not justify a due date extension.

About Equity Initiative Services

Mission

- Maximize contracting opportunities for disadvantaged businesses by certifying qualifying firms as Disadvantaged Business Enterprises
- Monitor INDOT contracts for equal employment opportunity contract compliance with state and federal laws
- Increase the number of journey-level women and minorities in Indiana's construction industry through the OJT Program
- Provide education

Responsibilities

- DBE Certification
- Ensuring Compliance on Federally Funded Contracts
- Equal Employment Officer Responsibilities
- Davis Bacon (Wage Rate) Compliance
- On the Job Training
- Supportive Services

03

The DBE/ACDBE Program

Background

- The DBE/ACDBE Program was initiated in 1980 by the U.S. Department of Transportation
- Its objectives are
 - To ensure nondiscrimination in the award and administration of DOT-assisted contracts in the Department's highway, transit, and airport financial assistance programs
 - To create a level playing field on which DBEs can compete fairly for DOT-assisted contracts
- The DBE/ACDBE program is authorized under 49 CFR Parts 26 & 23 respectively
- This program covers **three** USDOT agencies
 - Federal Highway Administration (FHWA)
 - Federal Transit Administration (FTA)
 - Federal Aviation Administration (FAA)

DBE= Disadvantaged Business Enterprise

ACDBE= Airport Concessions Disadvantaged Business Enterprise

DBE Qualifications

A Disadvantaged Business Enterprise (DBE) is a for-profit small business that is:

at least 51% owned by one or more individuals who are both **socially** and **economically** disadvantaged

and

whose management and daily business operations are controlled by one or more of the **socially** and **economically** disadvantaged owners.

- Per 49 CFR 26.65, to qualify as a DBE, the company must be a small business as defined by the Small Business Administration (SBA), which means:
 - The firm's average annual gross receipts may not exceed SBA size standards for its assigned NAICS code(s).
 - In any case, the firm's gross annual receipts may not exceed a \$30.72 million average over the previous three fiscal years.

Do I Qualify?

You must meet the criteria for being both Socially *and* Economically disadvantaged

- The following are the groups presumed to meet those criteria per 49 CFR 26.5
 - Black Americans
 - Asian-Pacific Americans
 - Hispanic Americans
 - Native Americans
 - Subcontinent Asian-Americans
 - Women
- Others outside those groups may apply, but they bear the burden of proof to meet both social and economic disadvantage.

Key Final Rule Changes

- Personal Net Worth has been raised to \$2.047 million
 - Excludes retirement assets
- Business size limit has increased from \$30.4 million to \$30.72 million
- You must prove that your business has experience doing the type of work you're seeking certification in

Current Opportunities

Electronic Monitoring

Our Parole Services teams have increased the number of individuals on electronic monitoring. Legislative updates have changed the requirements of electronic monitoring providers. IDOC's contract expires next year, and currently we have posted an RFP for electronic monitoring.

Technology Recycling

Our Investigations team collects a lot of evidence, which can include technological devices. Twice a year we purge our evidence lockers and we are looking for a productive and potentially revenue generating solution for these devices.

Juvenile Software Management

Soon our team will need to update the maintenance and development of some software being used by our Division of Youth Services.

Indiana Correctional Industries

Provides incarcerated individuals real-world training to develop work ethics, skills, and ability to support themselves upon re-entry.

Joint Ventures: partnership with private sector to perform services within the walls. Includes repair, remanufacturing, and refurbishing services, as well as packaging.

Sell Products: chemicals, furniture, printing, embroidery, etc.

Commissary: multiple contracts, and subcontracts, used to provide products to our incarcerated population.

The Office of Public Health and Safety

An Introduction

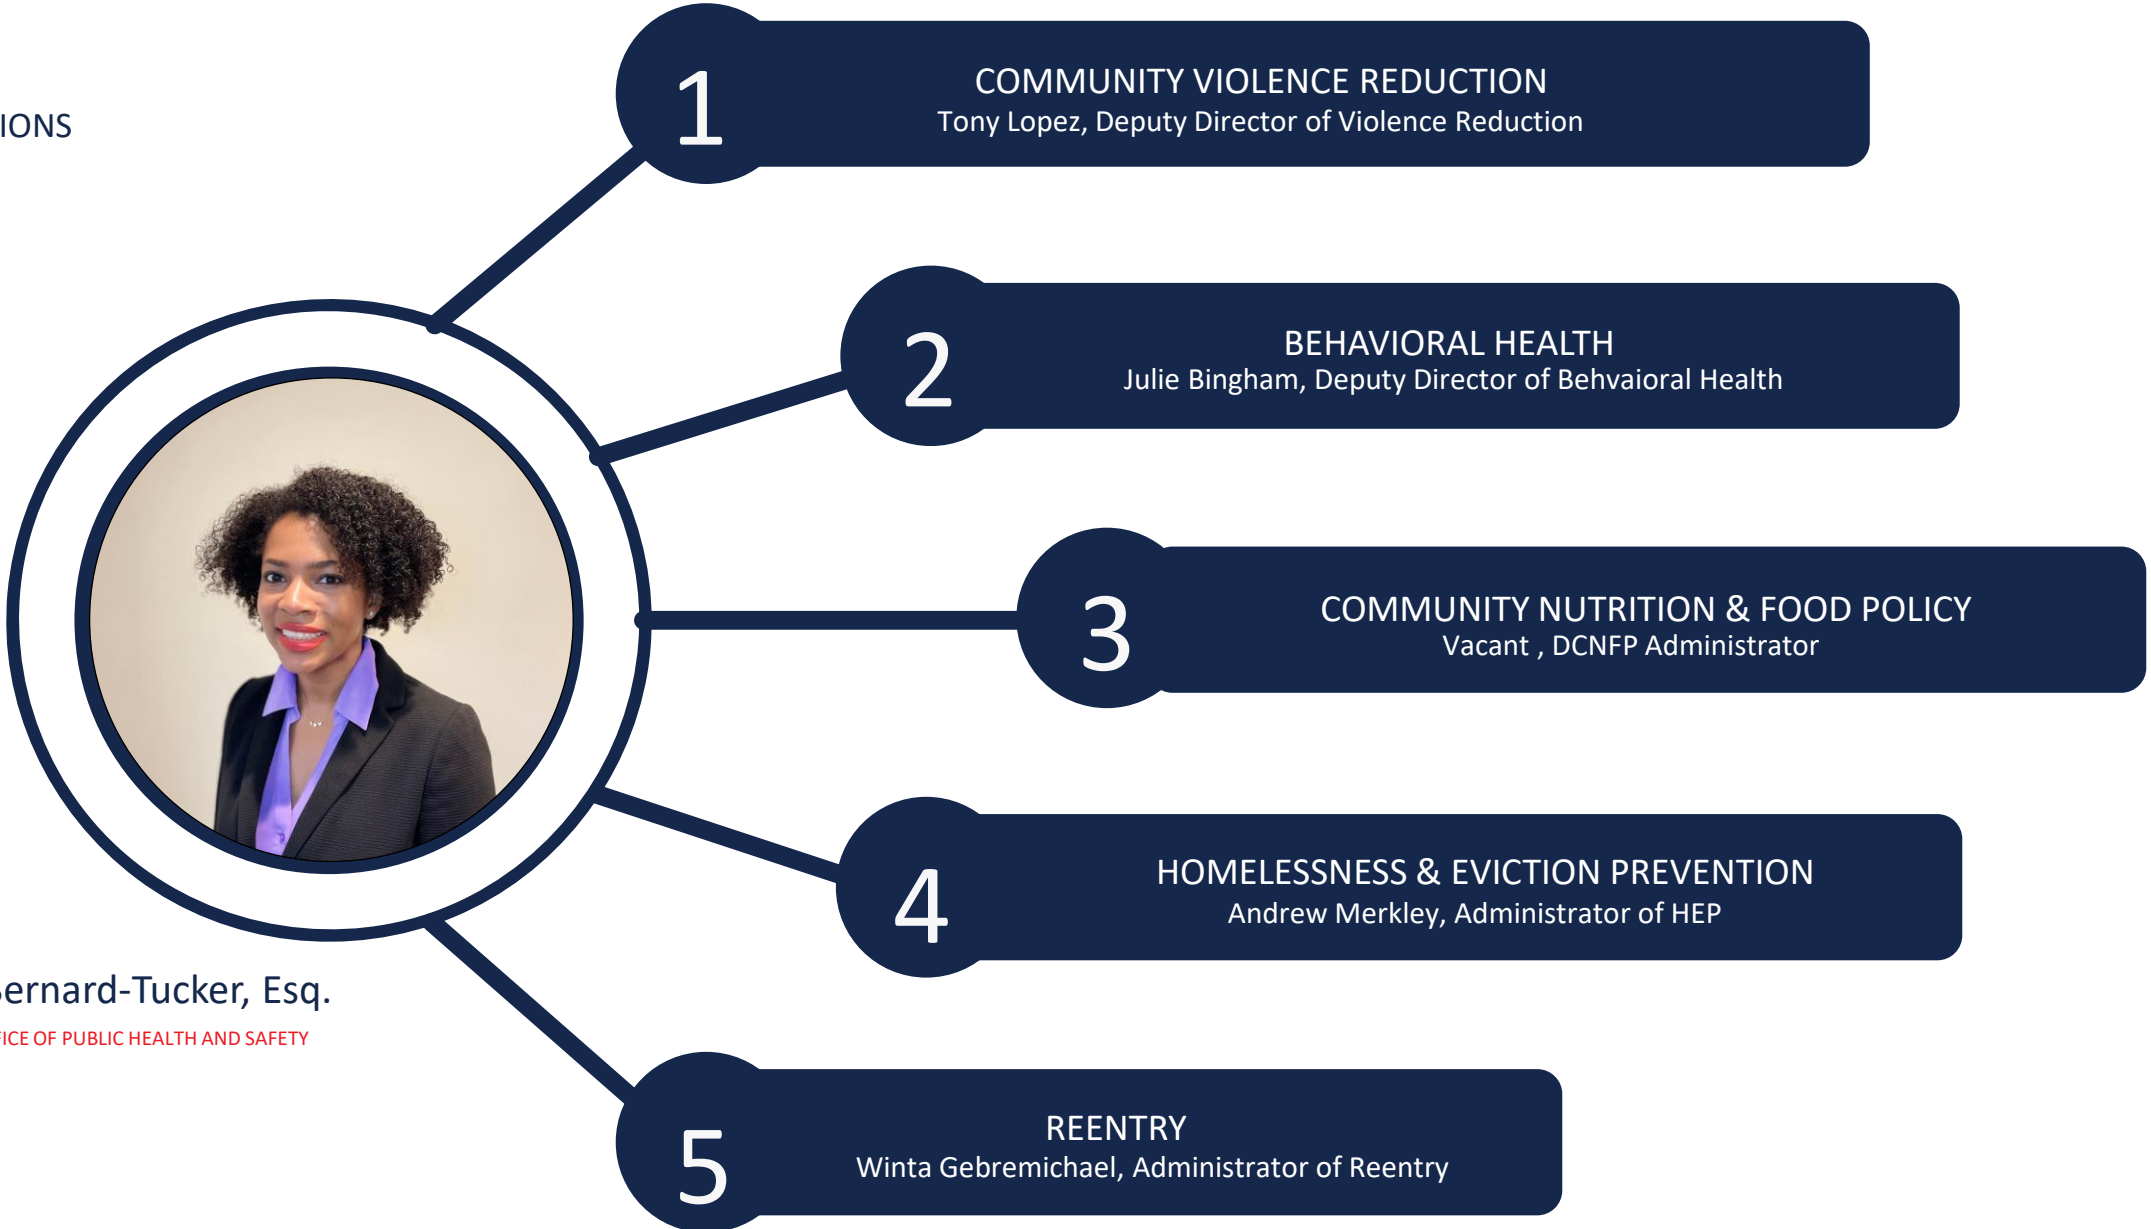

About OPHS

The Office of Public Health and Safety was established in 2016 and is comprised of 5 core divisions that all aim to improve the overall quality of life while addressing the root causes of crime, violence, and behavioral health in Indianapolis communities. The Office convenes public safety and public health agencies along with community partners to execute focused policy efforts in the areas of food security, re-entry, homelessness, violence reduction, and behavioral health.

DEMOGRAPHICS

The Office of Public Health and Safety always strives to celebrate the diversity of its staff, as it serves as a reflection of the city we serve.

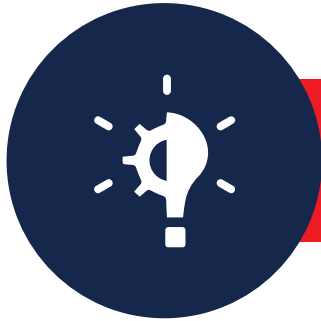

A summary (as of 4/1/24)

- Out of our 34 employees, half identify as male, and half identify as female.
- 16 employees (50%) self-identify as Black/of African descent
- Educational backgrounds vary drastically, with the majority of individuals who specified their education level having achieved their Masters degrees
- The majority of office members fall between the 18-35 age range.

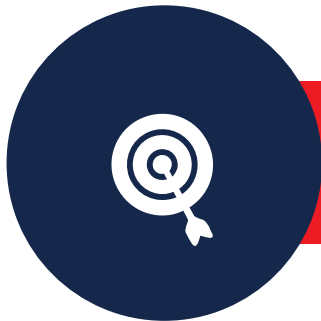

VISION and MISSION

Intervention | Prevention | Aspiration

Our Vision

We aspire to enhance public awareness and education. We leverage community partners and resources to ensure the highest level of health and safety for all Marion County residents.

Our Mission

The mission of the Office of Public Health and Safety is to equitably promote and protect the health, safety, and well-being of individuals and communities through effective intervention, prevention, and partnership.

OFFICE OF PUBLIC HEALTH AND SAFETY

Core Values

1

GRACE & COMPASSION

Everyone deserves grace and compassion. Whether a person is a community member, grantee, employee, harsh critic, or contractor, we strive to extend an open, understanding ear.

2

RESPECT

Everyone should be treated with dignity and respect no matter what. In all daily communications, we expect to speak to one another with respect

3

HARD WORK

We work for the people. Everything at OPHS requires hard work. We can honor one another by pushing ourselves to work efficiently, creatively, in a timely manner, and coming prepared in our work.

4

TEAM SUPPORT

We are one team. This means that we have each other's back and speak positively in the workplace and in the community. We always seek ways to collaborate and incorporate community partnerships.

5

CREATIVITY

We create solutions that empower community. To serve our community well, we must encourage creative thinking. Let us encourage one another to be flexible, innovative, and think outside the box.

DIVISION OF

COMMUNITY VIOLENCE REDUCTION

In 2021, Mayor Hogsett announced a three-year, \$150 million violence reduction strategy. At the core of this plan is Indy Peace. This partnership between OPHS and the Indy Public Safety Foundation (IPSF) works to identify, connect, and serve individuals at high risk of gun violence.

Indy Peace

Indy Peace is led by those who live in the community to serve those in their community, called Peacemakers. As outreach workers, violence interrupters, and life coaches they work directly with high-risk individuals in communities experiencing violence.

Indy Champions

In 2022, 3,864 people in high domestic violence rate areas received targeted outreach to raise awareness, provide resources, and empower them to build healthy relationships.

Community Based VP Partnership Grants

This OPHS grant is designed to support the existing efforts of local community organizations to address violence and increase safety, especially in those areas of Indianapolis that have experienced recent increases in violent crime.

DIVISION OF

COMMUNITY VIOLENCE REDUCTION

2024 is a year of large success for the City of Indianapolis. The City of Indy is seeing overall 32% reduction in criminal homicides and a 19% reduction in non-fatal shootings, coinciding with the launch of the Indy Peace and Indy Champions programs.

Among these successes is the Indy Peace initiative, this year they've seen more than **100 participants** and **16 fellows** graduate this June from their intensive 12-18 month program-- past December's group of graduates also saw the first woman to complete the program.

DIVISION OF

BEHAVIORAL HEALTH

Working to increase equitable access to mental health and substance use care in Indianapolis, emphasizing access to treatment and trauma-informed crisis response. Removing stigmas by community engagement and education while maintaining the individual's dignity and respect.

Assessment & Intervention Center

- Non-medical, 24/7 voluntary referral linkage facility
- Managed in partnership with Sandra Eskenazi Mental Health Centers, OPHS, and the Community Justice Campus
- Provides free mental health and addiction assessments and referrals
- Call: 317-327-8733

Clinician-Led Community Response Team

- Non-law enforcement, emergency response team
- Comprised of Licensed Clinicians and Peer Specialists
- Responds to 911 calls meeting specific mental-health criteria outlined by emergency services

DIVISION OF

COMMUNITY NUTRITION & FOOD POLICY

The Division of Community Nutrition and Food Policy is on a mission to build a more equitable, sustainable, and accessible food system for the City of Indianapolis.

Our food team works to:

- **Address inequity in the food system**, creating an inclusive mechanism to launch and coordinate food policies and programs
- **Reduce food insecurity** in Indianapolis in a variety of ways
- Empower minority-owned urban farms and grocery stores through
- **Fresh Bucks** programming
- **Provide food distributions** and cooking demos in partnership with PHA, Gleaners, MCPHD, Midwest Food Bank, IndyGo and others.

Other Programs & Services:

- **Indy Food Fund** - Grant to support local food system initiatives
- **Lyft Grocery Access program** - Offering \$1 Lyft rides to and from SNAP and WIC-eligible grocery stores for any Marion County Resident - 4 round trips a month by using the **code FEEDINDY**.

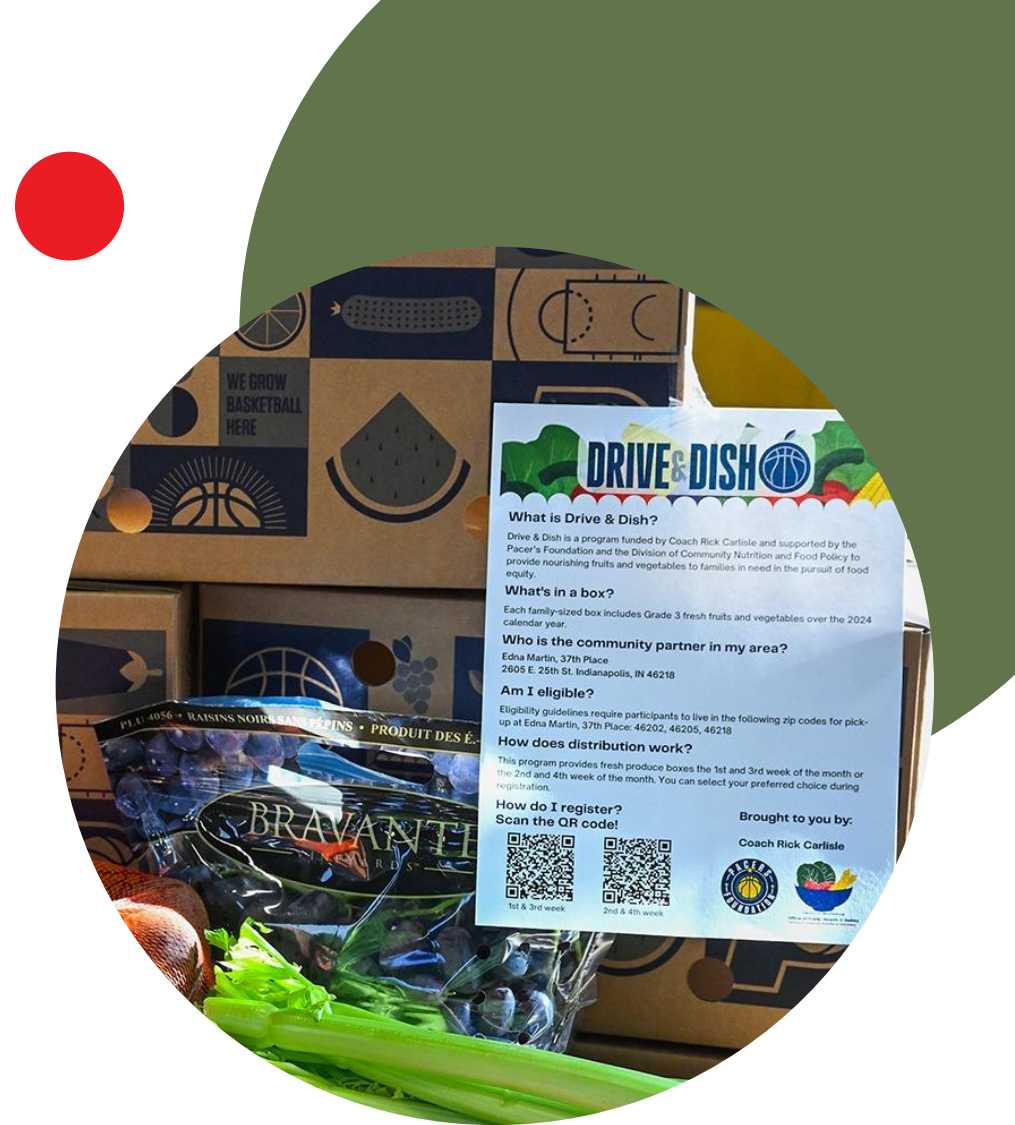

DIVISION OF

COMMUNITY NUTRITION & FOOD POLICY

Drive and Dish

Drive & Dish is a collaborative effort aimed at addressing food insecurity and health disparities in six zip codes that span three Marion County communities.

This effort was headed and launched by Indiana Pacer's Foundation, the Indianapolis Colts, and the City's Office of Public Health and Safety (OPHS), with funding provided by Indiana Pacers Coach Rick Carlisle, Steve Simon, PS&E, and the Indianapolis Colts. Drive and Dish brings together local organizations including Fresh Connect Central (Gleaners), Nine13 Logistics, HATCH, Christamore House, and Edna Martin (37th Place).

DIVISION OF

HOMELESSNESS & EVICTION PREVENTION

This Division strives to:

- **Address homelessness crisis management**
- **Mitigate the impacts of eviction** by installing teams of navigators and attorneys in eviction courts through the **Tenant Advocacy Project (TAP)**, available to all Indy residents
- **Work closely with the Indianapolis Continuum of Care (CoC)** to implement the Community's Plan to End Homelessness

Tenant Legal Assistance & Eviction Avoidance

OPHS partners with Indiana Legal Services to provide legal advice to Indy residents facing eviction, with habitability concerns, and with individuals who need assistance with eviction sealing.

- Call the Tenant Information Hotline 317-327-2228
- Visit <https://www.indianalegalservices.org/applyonline> to connect with free legal services

DIVISION OF

HOMELESSNESS & EVICTION PREVENTION

Pathway to Employment

Pathway to Employment is a program that connects Indy's unhoused with employment opportunities. Participants in the program are linked with employment by staffing agency, Keys to Work, and are provided with resources and experience that ensure that they can keep and maintain their jobs. In 2023, 104 participants served in Keys to Work, with 73% of participants ending up with full time employment, 22% obtaining housing, and 91% of participants earning their IRC.

Tenant Advocacy Project (TAP)

The Tenant Advocacy Project (TAP) provides attorneys that offer legal advice and representation to tenants with eviction case hearings. Tenant navigators help prepare tenants by gathering documents and information necessary to help attorneys provide precise legal advice. The navigators maintain contact with the tenants, updating new information and giving essential updates on their cases. Most of the tenants served tend to be low-income residents in Indianapolis. Navigators served a total of 432 tenants in 2023, and attorneys assisted 1,232 tenants in 2023.

DIVISION OF

REENTRY

The Reentry Division aims to increase equitable access to resources for the Marion County Reentrant community in an effort to reduce the likelihood of recidivism.

We partner with the Community Justice Campus, PACE, Unite Indy, Neighborhood Christian Legal Clinic, Recycle Force, Fastenal, and others **to provide:**

- **24/7 assistance** to connect those individuals exiting the jail with employment, food, and housing assistance, via the **Release Lobby at the CJC**
- **Hosting Community events**, such as Expungement Clinics with Neighborhood Christian Legal Clinic
- **Driver's License Renewal**
- **Employment opportunities**
- **Housing searches**
- **Access to life coaching**

DIVISION OF

REENTRY

Since January 2024...

OPHS' Reentry Services have assisted 4,474 reentrants through the CJC Release Lobby, with 2,047 seeking the assistance and services offered by the Reentry Division and its partners.

- **488** people have been provided with housing resources
- **435** have been provided employment resources
- **399** have been given food and grocery assistance
- **357** have been given driver's license assistance
- **216** have been provided mental health resources
- **152** have been given substance use assistance

OUR MISSION

We connect communities by providing places and experiences that inspire healthy living, social engagement, and a love of nature.

OUR VISION

With over a century of history advancing the value of parks, Indy Parks is committed to protecting and enhancing the community's assets for the future. We will be a leader in making Indianapolis a vibrant, happy, and healthy place to live. By providing premier greenspaces and recreation opportunities, we welcome all residents, regardless of race, gender, socio-economic status, ability, or identity, to connect to nature, to the community, and to themselves. Our work is vital to contributing to the economic, social, and environmental health of our city.

RACIAL EQUITY IN INDY PARKS

Indy Parks will be a leader in making Indianapolis a vibrant and healthy place to live by applying a racial equity lens to future planning that better reflects the multicultural community we serve. Indy Parks is committed to providing equitable and inclusive access to programs, services, amenities, and greenspaces. We strive to identify and invest in a more equitable workplace culture by focusing on policies and practices including budget allocation, procurement, partnerships, hiring, employee training and advancement.
