RE: West Harrison- Drinking Water Improvements, Proposed Storage & Control Valve Building  
BID DATE: Thursday, August 8, 2024

Our firm proposals to bid, as a prime contractor, on this contract and we are inviting quotations from MBE/WBE/VBE contractor/supplier firms that might be interested in working with us on this project.

The Project includes the following Work:

- |  |  |
|--|--|
| -Trucking of aggregate and materials             | Patching   |
| -Clearing of right of way                        | -Fencing and gates                               |
| -Sub-grade treatment                             | -Construction signs, barricades, flashing arrows |
| -Reinforcing Steel                               | -Field office leasing                            |
| -Reinforced Concrete paving, shoulder & Concrete | -Traffic signals and lighting                    |
| -Construction Engineering                        | -Guardrail                                       |
| -Right way markers                               | -Surface Seal                                    |
| -Miscellaneous concrete                          | -Seeding, Sodding, and Erosion Control           |
| -Surface Milling                                 | -Pavement Markings                               |
| -Other items may be considered.                  |  |
