QPA# 83584 Bottleless Water Coolers, Contractor: Quench USA Inc

Quench water coolers will be installed, including UV and leak detection. - Existing water lines will be replaced if found to be defective, installed incorrectly or are contributing to poor tasting water. - Monthly price includes all installation and ongoing maintenance costs.

If facility is leased, please ensure that the landlord has been included in discussion before a new cooler is installed.

Before ordering a new cooler at the Indiana Government Center, please contact Mario Garcia, Supervisor of Facilities at margarcia@idoa.in.gov. Installation of a Reverse Osmosis system is not permitted at the IGC, due to existing filtration systems and maintenance concerns.
