SECTION ONE
GENERAL INFORMATION AND REQUESTED PRODUCTS/SERVICES

1.1 INTRODUCTION

In accordance with Indiana statute, including IC 5-22-9, the Indiana Department of Administration (IDOA), acting on behalf of All State Agencies, requires the services of a vendor(s) to provide Maintenance, Repair, and Operations (MRO) products and related services to the State. It is the intent of IDOA to solicit responses to this Request for Proposals (RFP) in accordance with the statement of work, proposal preparation section, and specifications contained in this document. This RFP is being posted to the IDOA website (<http://www.IN.gov/idoa/2354.htm>) for downloading. A nominal fee will be charged for providing hard copies. Neither this RFP nor any response (proposal) submitted hereto are to be construed as a legal offer.

1.2 DEFINITIONS AND ABBREVIATIONS

Following are explanations of terms and abbreviations appearing throughout this RFP. Other special terms may be used in the RFP, but they are more localized and defined where they appear, rather than in the following list.

Award Recommendation	IDOA’s summary to the agency being supported, typically in letter format, of the solicitation and suggestion on vendor selection for the purposes of beginning contract negotiations.
IAC	Indiana Administrative Code
IC	Indiana Code
Contract Award	The acceptance of IDOA’s Award Recommendation by the agency being supported in conjunction with the public posting of the Award Recommendation.
CUF	Commercially Useful Function – A business function that supports the scope of this solicitation
Full Time Equivalent (FTE)	The State defines FTE as a measurement of an employee's productivity when executing the scope of work in this RFP for a specific project or contract. An FTE of 1 would mean that there is one worker fully engaged on a project. If there are two employees each spending 1/2 of their working time on a project that would also equal 1 FTE
Functional Equivalency	A functional equivalent shall concentrate on what the product is intended to do, with the same or similar materials and dimensions. If a Respondent has multiple variations in grade or materials available for a particular product, the State advises the Respondent provide the most cost effective model without compromising functional equivalency.

These item descriptions in Attachment D are minimums, not maximums. As long as the item proposed meets that minimum threshold, it will be considered functionally equivalent. The State reserves the right to reject any item proposed for the market basket and require the awarded vendor to provide an alternative product that meets its requirements, at the price originally proposed

Implementation	The successful implementation of the services of a vendor(s) to provide Maintenance, Repair, and Operations (MRO) products and related services as specified in the contract resulting from this RFP
Installation	The delivery and physical setup of products or services requested in this RFP
List Price	The lowest available price at which the Respondent sells the product within Respondent's Standard Offerings without a discount.
Non-Market Basket Discount	The percentage at which products within the awarded categories, but outside of the Market Basket, are discounted for sale to the State.
Other Governmental Body	An agency, a board, a branch, a bureau, a commission, a council, a department, an institution, an office, or another establishment of any of the following: <ol style="list-style-type: none">1) The judicial branch2) The legislative branch3) A political subdivision (includes towns, cities, local governments, etc.)4) A state educational institution
Products	Tangible goods or manufactured items as specified in this RFP
Proposal	An offer as defined in IC 5-22-2-17
Respondent	An offeror as defined in IC 5-22-2-18. The State will not consider a proposal responsive if two or more offerors submit a joint or combined proposal. One entity or individual must be clearly identified as the respondent who will be ultimately responsible for performance of the contract
Services	Work to be performed as specified in this RFP
Sourced Products	Products which Respondent sources on behalf of the State and are not part of the Respondent's Standard Offerings
Standard Offerings	Respondent's full line catalog which includes all products available for purchase via web, retail stores, and through existing manufacturer relationships. Standard Offerings does not include products sourced on behalf of the State (Sourced Products)

State	The State of Indiana
State Agency	As defined in IC 4-13-1, “state agency” means an authority, board, branch, commission, committee, department, division, or other instrumentality of the executive, including the administrative, department of state government
Total Bid Amount	The amount that the respondent proposes on Attachment D that represents their total, all-inclusive price.
Vendor	Any successful respondent selected as a result of the procurement process to deliver the products or services requested by this RFP

1.3 PURPOSE OF THE RFP

The purpose of this RFP is to select a vendor that can satisfy the State, K12, and local entities’ need for Maintenance, Repair, and Operations products (MRO). It is the intent of the State to contract with a vendor or vendors that provide the State, K12, and local entities, who elect to purchase through the resulting contract, products and services as specified within this RFP at a competitive price.

1.4 SUMMARY SCOPE OF WORK

1.4.1 Current Purchasing Profile

This RFP covers the purchases of all general MRO products by State, K12, and local entities. The purchasing profile is reflective of all State agencies, K12, and local entities which have elected to purchase MRO products through the State’s current MRO contracts. The table, below, represents the approximate spend by product category in CY 2015 and 2016 for State and certain K12 and local entities who made purchases through the State’s current MRO contracts.

Commercial Cleaning & Janitorial Products	General Industrial	Lighting and Electrical Supplies	Paper Products & Dispensers	Plumbing Supplies	Safety Supplies	Total
\$ 2,005,695.55	\$ 5,851,903.47	\$ 1,968,812,51	\$ 1,598,856.01	\$ 2,987,210.55	\$ 892,367.37	\$ 15,304,845.46

These figures are only an estimate and are not to be construed as an amount to be offered under this RFP. **However, when completing Minority and Women’s Business Enterprises Participation Plan Form (Attachment A), the Indiana Economic Impact Form (Attachment C) and Indiana Veteran Owned Small Business Subcontractor Participation Plan Form (Attachment A1) please use the two year total amount as stated in the above table. Minority and Women’s Business Enterprises Participation Plan Form (Attachment A) and Indiana Veteran Owned Small Business Participation Plan form (Attachment A1) must reflect a two-year subcontractor commitment.**

Respondents must indicate which product categories are included in their Response in the Transmittal Letter. A Respondent may bid on one or all product categories. For each product category included in the Response, Respondents must complete separate Attachments A, A1, and C.

1.4.2 Market Basket Items

The RFP will result in one Market Basket per category and Non-Market Basket discount percentage(s) off per category. Additionally, the State expects the awarded Vendor(s) provide additional retrospective discounts to the top spend items on a quarterly basis.

It is the State's intent for all products sold under the resulting contract to be competitively discounted. Therefore, every product sold under the resulting contract shall be sold at a price which is either:

1. Equal to or better than the Market Basket Price, or
2. The product's List Price (at the time of sale) less a Non-Market Basket Discount.

Any product exceptions to a Market Basket Price or List Price less a Non-Market Basket Discount must be disclosed in the Respondent's cost proposal in the designated section. The State will make the final determination of acceptable exceptions which will be memorialized in the resulting contract. Respondent shall provide a quarterly report of all products sold under the contract that did not receive a Market Basket Price or Non-Market Basket Discount.

There are six product categories included in the Cost Proposal. A Respondent may respond to one, multiple, or all product categories.

1. **Commercial Cleaning and Janitorial Supplies**– Includes non-paper consumables, materials, small cleaning equipment, and chemicals used for internal, general, and routine cleaning. Does not include paper consumables. Example products include brooms and mops, detergents, disinfectant sprays/wipes, floor care, furniture cleaner, hand dryers, hand sanitizers, industrial chemicals, multi-purpose cleaners, small cleaning equipment, soaps, and trash bags.
2. **General Industrial Products** – Includes tools, parts, and supplies for machinery and equipment generally used in warehouse, manufacturing (or similar), kitchen, and hospital type settings. Example products include, but are not limited to, abrasives, , fasteners, material handling storage and packing, raw materials, tools, welding, HVAC, and refrigeration.
3. **Lighting and Electrical Supplies** – Includes all lighting and electrical components and supplies. Example products include ballasts, cable ties, electric wire, plugs, power strips, terminals, and wires & cables.
4. **Paper Products**– Includes janitorial paper consumable products and product associated dispensers. Example products include paper towels, tissue paper, toilet paper, and dispensers.
5. **Plumbing Supplies** – Includes all plumbing supplies and products used in warehouse, manufacturing (or similar), kitchen, and hospital type settings. Examples include bearing adapters, dehumidifiers, epoxy, fans, faucets, hand dryers, hydraulic pumps, pipe products, tubing, valve caps, and water filters.
6. **Safety Supplies** – Includes safety equipment and personal protective products used to ensure the health and safety of employees. Also includes the safety, quality, and

maintenance checks of the safety equipment and personal protective products. Examples include safety equipment and personal protective products such as gloves, vests, hard hats, lifting equipment, rigging equipment, gas masks, protective eyewear, and harnesses.

The resulting contract(s) will likely overlap or compete with other contracts. The State shall make the final determination for contract inclusion or exclusion of specific products within a specific category.

For all products or supplies that require dispensers for effective and typical use, the Respondent is expected to provide dispensers at no charge. The State expects Respondents to provide dispensers for products and/or items that are delivered to the State in packaging that is intended for insertion into dispensers. Examples of such items include, but are not limited to, paper towels, select soaps, hand gloves, hand sanitizers, and similar products/items.

Respondents are encouraged to provide pricing for all Market Basket items, and must provide pricing for at least 95% of the items in the Market Basket of each responding product category in order to be considered responsive. Respondents must provide discount percentages for the Non-Market Basket of each responding product category.

Respondent's must submit an individual and separate Attachment A, A1, and C for each responding product category. These forms must be aligned with the Respondent's two year total amount for the corresponding product category as stated in Section 1.4.1 Current Purchasing Profile.

Each Market Basket represents a group of items representative of historical spend. Market Baskets include the State's best estimate of the highest use and most essential items. The included products represent products which should account for a high percentage of the State, K12, and local spend. Respondents are required to individually price Market Basket items in this RFP with all-inclusive, firm, set prices. Pricing must include all delivery, shipping, service, and administrative costs associated with the product.

Quarterly Market Basket composition and Non-Market Basket percentage off list price reviews will begin at the first quarterly business review and at every quarterly review for the remainder of the contract. Any modification to the Market Basket including but not limited to adding new products, removing products, or changes to existing prices or product details (i.e., UOM) require mutual agreement of both parties and must be memorialized through a contract amendment. The awarded vendor(s) may not optimize or modify the Market Basket without explicit and written agreement by the State.

Due to the highly unpredictable nature of the need for MRO products, and the large customer span this contract is intended to serve, it is highly likely that large dollar volumes of products will be purchased that are not included in the Market Basket. The State recognizes that large purchases will be made outside of the Market Basket and expects Respondents to offer retrospective discounts (in the form of an administrative fee paid quarterly) for fifty (50) Non-Market Basket items each year. On a quarterly basis, the State will identify the number of highest spend Non-Market Basket items in each category, as follows:

Commercial Cleaning	General Industrial	Lighting and	Paper Products &	Plumbing Supplies	Safety Supplies
------------------------	-----------------------	-----------------	---------------------	----------------------	--------------------

Products		Electrical Supplies	Dispensers		
7	19	6	5	10	3

Please confirm your understanding of this request and define your plan in question 3.2 of the technical proposal (Attachment F). Additionally, please provide the retrospective discount percentage that will be applied to the total quarterly spend of highest number of items for each product category in the cost proposal (Attachment D).

1.4.3 Ordering and Delivery

The State requires the ability to purchase MRO products on-line using punch-out catalogs through PeopleSoft, as well as the OneIndiana, K12Indiana, and Library Indiana portals. Respondents must detail their company’s on-line ordering capabilities and their responses will be evaluated as part of their technical proposal. Respondents must also be able to receive orders via email, fax, and telephone.

There are over 2,500 sites where delivery may be required. This list changes as the State, K12 entities and local entities eliminate, add, or move locations. The technical proposal asks the potential vendors to submit their solution for the most cost effective delivery. The Contractor shall be able to deliver to all current and potential delivery sites within the State of Indiana and meet specified delivery requirements. This shall include desktop and dock delivery within given State facilities, school delivery docks, school front office, etc. The Contractor shall work with the State to identify an acceptable weekly report that provides delivery site updates or new locations.

Except for special orders and circumstance, the Contractor shall use reasonable best efforts to ensure that orders placed shall be dock or desktop delivered, whichever the ordering location prefers, within forty-eight (48) hours.

The State may award all or part of this RFP based on the best interests of the State. The State also reserves the right to award to multiple vendors. To maximize your chances of success in this process and to have the opportunity to acquire a substantial portion of the State’s business, we strongly encourage you to provide an aggressive response to this RFP. The pricing, quality, and service levels obtained through this process are expected to be significantly more aggressive than those that any State, K12, or local entity may currently have with your company.

The State reserves the right to reject any of these requested changes. It is the State's expectation that any material elements of the contract will be substantially finalized prior to contract award.

1.12 BEST AND FINAL OFFER

The State may request best and final offers from those Respondents determined by the State to be reasonably viable for contract award. However, the State reserves the right to award a contract on the basis of initial proposals received. Therefore, each proposal should contain the Respondent's best terms from a price and technical standpoint.

Following evaluation of the best and final offers, the State may select for final contract negotiations/execution the offers that are most advantageous to the State, considering cost and the evaluation criteria in this RFP.

1.13 REFERENCE SITE VISITS

The State may request a site visit to a Respondent's working support center to aid in the evaluation of the Respondent's proposal. Site visits, if required will be discussed in the technical proposal.

1.14 TYPE AND TERM OF CONTRACT

1.20 EQUAL OPPORTUNITY COMMITMENT

Pursuant to IC 4-13-16.5 and in accordance with 25 IAC 5, Executive Order 13-04 and IC 5-22-14-3.5, it has been determined that there is a reasonable expectation of minority, woman, and Indiana veteran owned small business subcontracting opportunities on a contract awarded under this RFP. Therefore a contract goal of 8% for Minority Business Enterprises, 8% for Woman Business

Enterprises, and 3% for Veteran Owned Small Business have been established and all respondents will be expected to comply with the regulation set forth in 25 IAC 5, Executive Order 13-04 and IC 5-22-14-3.5.

In accordance with 25 IAC 5-5, the respondent is expected to submit with its proposal a Minority & Women's Business Enterprises RFP Subcontractor Commitment Form. The Form must show that there are, participating in the proposed contract, Minority Business Enterprises (MBE) and Women Business Enterprises (WBE) listed in the Minority and Women's Business Enterprises Division (MWBED) directory of certified firms located at <http://www.in.gov/idoa/2352.htm>.

Respondents must complete the Subcontractor Commitment Form in its entirety. The two year total amount entered in "**TOTAL BID AMOUNT**" should match the two year category total amount found in Section 1.4.1 Current Purchasing Profile.

Failure to meet these goals will affect the evaluation of your Proposal. The Department reserves the right to verify all information included on the MWBE Subcontractor Commitment Form.

- Must be listed on the IDOA Directory of Certified Firms, **on or before** the proposal due date
- Each firm may only serve as one classification – MBE, WBE, or IVOSB (see section 1.22)
- A Prime Contractor who is an MBE or WBE must meet subcontractor goals by using other listed certified firms. Certified Prime Contractors cannot count their own workforce or companies to meet this requirement.
- **Must serve a Commercially Useful Function (CUF). The firm must serve a value-added purpose on the engagement, as confirmed by the State.**
- Must provide goods or service only in the industry area for which it is certified as listed in the directory at <http://www.in.gov/idoa/2352.htm>
- Must be used to provide the goods or services specific to the contract
- National Diversity Plans are generally not acceptable

MINORITY & WOMEN'S BUSINESS ENTERPRISES RFP SUBCONTRACTOR LETTER OF COMMITMENT (MWBE)

A signed letter(s), on company letterhead, from the MBE and/or WBE must accompany the MWBE Subcontractor Commitment Form. Each letter shall state and will serve as acknowledgement from the MBE and/or WBE of its subcontract amount, a description of products

and/or services to be provided on this project, and approximate date the subcontractor will perform work on this contract. The State may deny evaluation points if the letter(s) is not attached, not on company letterhead, not signed and/or does not reference and match the subcontract amount, subcontract amount as a percentage of the “**TOTAL BID AMOUNT**” and the anticipated period that the Subcontractor will perform work for this solicitation.

By submission of the Proposal, the Respondent acknowledges and agrees to be bound by the regulatory processes involving the State’s M/WBE Program. Questions involving the regulations governing the MWBE Subcontractor Commitment Form should be directed to: Minority and Women’s Business Enterprises Division at (317) 232-3061 or <http://www.in.gov/idoa/2352.htm>.

1.22 INDIANA VETERAN OWNED SMALL BUSINESS SUBCONTRACTOR COMMITMENT (IVOSB)

In accordance with Executive Order 13-04 and IC 5-22-14-3.5, it has been determined that there is a reasonable expectation of Indiana Veteran Owned Small Business subcontracting opportunities on a contract awarded under this RFP. The IVBE Subcontractor Commitment Form is to be submitted alongside the Respondent’s proposal. The Form must show that they are participating in the proposed contract and IVBE firms that meet the requirements listed at the Veteran’s Business Program website (<http://www.in.gov/idoa/2862.htm>).

If participation is met through use of vendors who supply products and/or services directly to the Respondent, the Respondent must provide a description of products and/or services provided that are directly related to this proposal and the cost of direct supplies for this proposal. Respondents must complete the Subcontractor Commitment Form in its entirety. The two year total amount entered in “**TOTAL BID AMOUNT**” should match the two year category total amount found in Section 1.4.1 Current Purchasing Profile.

Failure to address these goals may impact the evaluation of your Proposal. The Department reserves the right to verify all information included on the IVBE Subcontractor Commitment Form.

Prime Contractors must ensure that the proposed IVBE subcontractors meet the following criteria:

- Must be listed on Federal Center for Veterans Business Enterprise ([VA OSDBU](#)) registry or listed on the IDOA Directory of Certified Firms, **on or before** the proposal due date
- Each firm may only serve as one classification – MBE, WBE (see Section 1.21) or IVBE
- A Prime Contractor who is an IVBE must meet subcontractor goals by using other listed certified firms. Certified Prime Contractors cannot count their own workforce or companies to meet this requirement.
- **Must serve a Commercially Useful Function (CUF). The firm must serve a value-added purpose on the engagement, as confirmed by the State.**
- Must provide goods or service only in the industry area for which it is certified as listed in the [VA OSDBU](#) or IDOA Certified Firm directories <http://www.in.gov/idoa/2352.htm>
- Must be used to provide the goods or services specific to the contract

INDIANA VETERAN OWNED SMALL BUSINESS RFP SUBCONTRACTOR LETTER OF COMMITMENT

A signed letter(s), on company letterhead, from the IVBE must accompany the IVBE Subcontractor Commitment Form. Each letter shall state and will serve as acknowledgement from the IVBE of its subcontract amount, a description of products and/or services to be provided on this project, and approximate date the subcontractor will perform work on this contract. The State reserves the right to deny evaluation points if the letter(s) is not attached. The State may deny evaluation points if the letter(s) is not attached, not on company letterhead, not signed and/or does not reference and match the subcontract amount, subcontract amount as a percentage of the “**TOTAL BID AMOUNT**” and the anticipated period that the Subcontractor will perform work for this solicitation.

By submission of the Proposal, the Respondent acknowledges and agrees to be bound by the policies and processes involving the State’s IVBE Program. Questions involving the regulations governing the IVBE Subcontractor Commitment Form should be directed to: indianaveteranspreference@idoa.in.gov.

1.23 AMERICANS WITH DISABILITIES ACT

1.26 CONFLICT OF INTEREST

Any person, firm or entity that assisted with and/or participated in the preparation of this RFP document is prohibited from submitting a proposal to this specific RFP. For the purposes of this RFP “person” means a state officer, employee, special state appointee, or any individual or entity working with or advising the State or involved in the preparation of this RFP proposal. This prohibition would also apply to an entity who hires, within a one-year period prior to the publication of this RFP, a person that assisted with and/or participated in the preparation of this RFP.

SECTION TWO PROPOSAL PREPARATION INSTRUCTIONS

2.1 GENERAL

To facilitate the timely evaluation of proposals, a standard format for proposal submission has been developed and is described in this section. All Respondents are required to format their proposals in a manner consistent with the guidelines described below:

- Each item must be addressed in the Respondent's proposal.
- The Transmittal Letter must be in the form of a letter. The business and technical proposals must be organized under the specific section titles as listed below.
- The electronic copies of the proposal submitted via CD-ROM should be organized to mirror the sections below and the attachments.
- Each item, i.e. Transmittal Letter, Business Proposal, Technical Proposal, Cost Proposal, etc., must be separate standalone electronic files on the CD-ROM. Please do not submit your proposal as one large file.
- Whenever possible, please submit all attachments in their original format.
- Confidential Information must also be clearly marked in a separate folder/file on any included CD-ROM.

2.2 TRANSMITTAL LETTER

The Transmittal Letter must address the following topics except those specifically identified as "optional."

2.2.1 Agreement with Requirements listed in Section 1

The Respondent must explicitly acknowledge understanding of the general information presented in Section 1 and agreement with any requirements/conditions listed in Section 1.

2.2.2 Summary of Ability and Desire to Supply the Required Products or Services

The Transmittal Letter must briefly summarize the Respondent's ability to supply the requested products and/or services that meet the requirements defined in Section 2.4 of this RFP. Additionally, the letter must list the product categories included in the Response. The letter must also contain a statement indicating the Respondent's willingness to provide the requested products and/or services subject to the terms and conditions set forth in the RFP including, but not limited to, the State's mandatory contract clauses.

2.2.3 Signature of Authorized Representative

A person authorized to commit the Respondent to its representations and who can certify that the information offered in the proposal meets all general conditions including the information requested in Section 2.3.4, must sign the Transmittal

Letter. **In the Transmittal Letter, please indicate the principal contact for the proposal along with an address, telephone and fax number as well as an e-mail address, if that contact is different than the individual authorized for signature.**

2.2.4 Respondent Notification

Unless otherwise indicated in the Transmittal Letter, Respondents will be notified via e-mail.

It is the Respondent's obligation to notify the Procurement Division of any changes in any address that may have occurred since the origination of this solicitation. The Procurement Division will not be held responsible for incorrect vendor/contractor addresses.

2.2.5 Confidential Information

Respondents are advised that materials contained in proposals are subject to the Access to Public Records Act (APRA), IC 5-14-3 *et seq.* (see section 1.16).

Provide the following information:

- List all documents where claiming a statutory exemption to the APRA;
- Specify which statutory exception of APRA that applies for each document;
- Provide a description explaining the manner in which the statutory exception to the APRA applies for each document.

2.2.6 Other Information

This item is optional. Any other information the Respondent may wish to briefly summarize will be acceptable.

2.3 BUSINESS PROPOSAL

The Business Proposal must address the following topics except those specifically identified as "optional." **The Business Proposal Template is Attachment E.**

2.3.1 General (optional)

This section of the business proposal may be used to introduce or summarize any information the Respondent deems relevant or important to the State's successful acquisition of the products and/or services requested in this RFP.

2.3.2 Respondent's Company Structure

The legal form of the Respondent's business organization, the state in which formed (accompanied by a certificate of authority), the types of business ventures in which

the organization is involved, and a chart of the organization are to be included in this section. If the organization includes more than one product division, the division responsible for the development and marketing of the requested products and/or services in the United States must be described in more detail than other components of the organization.

2.3.3 Company Financial Information

This section must include the Respondent's financial statement, including an income statement and balance sheet, for each of the two most recently completed fiscal years. The financial statements must demonstrate the Respondent's financial stability. If the financial statements being provided by the Respondent are those of a parent or holding company, additional financial information should be provided for the entity/organization directly responding to this RFP.

2.3.4 Integrity of Company Structure and Financial Reporting

This section must include a statement indicating that the CEO and/or CFO has taken personal responsibility for the thoroughness and correctness of any/all financial information supplied with this proposal. The particular areas of interest to the State in considering corporate responsibility include the following items: separation of audit functions from corporate boards and board members, if any, the manner in which the organization assures board integrity, and the separation of audit functions and consulting services. The State will consider the information offered in this section to determine the responsibility of the Respondent under IC 5-22-16-1(d).

The Sarbanes Oxley Act of 2002, H.R. 3763, is NOT directly applicable to this procurement; however, its goals and objectives may be used as a guide in the determination of corporate responsibility for financial reports.

2.3.5 Contract Terms/Clauses

A sample contract that the state expects to execute with the successful Respondent(s) is provided in Attachment B. This contract contains both mandatory and non-mandatory clauses. Mandatory clauses are listed below and are non-negotiable. Other clauses are highly desirable. It is the State's expectation that the final contract will be substantially similar to the sample contract provided in Attachment B.

In your Transmittal Letter please indicate acceptance of these mandatory contract terms (see section 2.2.2). In this section please review the rest of the contract and indicate your acceptance of the non-mandatory contract clauses. If a non-mandatory clause is not acceptable as worded, suggest specific alternative wording to address issues raised by the specific clause. If you require additional contract terms please include them in this section. To reiterate it's the State's strong desire to not deviate from the contract provided in the attachment and as such the State reserves the right to reject any and all of these requested changes.

The mandatory contract terms are as follows:

- Duties of Contractor, Rate of Pay, and Term of Contract
- Authority to Bind Contractor
- Compliance with Laws
- Drug-Free Workplace Provision and Certification
- Employment Eligibility
- Funding Cancellation
- Governing Laws
- Indemnification
- Information Technology
- Non-Discrimination Clause
- Ownership of Documents and Materials
- Payments
- Penalties/Interest/Attorney's Fees
- Termination for Convenience
- Non-Collusion and Acceptance

Any or all portions of this RFP and any or all portions of the Respondents response may be incorporated as part of the final contract

2.3.6 References

The Respondent must include a list of at least three (3) clients for whom the Respondent has provided products and/or services that are the same or similar to those products and/or services requested in this RFP. Information provided should include the name, address, and telephone number of the client facility and the name, title, and phone/fax numbers of a person who may be contacted for further information.

2.3.7 Registration to do Business

Secretary of State

If awarded the contract, the Respondent will be required to be registered, and be in good standing, with the Secretary of State. The registration requirement is applicable to all limited liability partnerships, limited partnerships, corporations, S-corporations, nonprofit corporations and limited liability companies. The Respondent must indicate the status of registration, if applicable, in this section of the proposal.

Department of Administration, Procurement Division

Additionally, respondents must be registered with the IDOA. This can be accomplished on-line at <http://www.in.gov/idoa/2464.htm>.

The IDOA Procurement Division maintains two databases of vendor information.

The Bidder registration database is set up for vendors to register if you are interested in selling a product or service to the State of Indiana. Respondents may register online at no cost to become a Bidder with the State of Indiana. To complete the online Bidder registration, go to <http://www.in.gov/idoa/2464.htm>. The Bidder registration offers email notification of upcoming solicitation opportunities, corresponding to the Bidder's area(s) of interest, selected during the registration process. Respondents do need to be registered to bid on and receive email notifications. Completion of the Bidder registration will result in your name being added to the Bidder's Database, for email notification. The Bidder registration requires some general business information, an indication of the types of goods and services you can offer the State of Indiana, and location(s) within the state that you can supply or service. There is no fee to be placed in Procurement Division's Bidder Database. To receive an award, you must be registered as a bidder. Problems or questions concerning the registration process or the registration form can be e-mailed to Amey Redding, Vendor Registration Coordinator, aredding@idoa.in.gov, or you may reach her by phone at (317) 234-3542.

2.3.8 Authorizing Document

Respondent personnel signing the Transmittal Letter of the proposal must be legally authorized by the organization to commit the organization contractually. This section shall contain proof of such authority. A copy of corporate bylaws or a corporate resolution adopted by the board of directors indicating this authority will fulfill this requirement.

2.3.9 Subcontractors

The Respondent is responsible for the performance of any obligations that may result from this RFP, and shall not be relieved by the non-performance of any subcontractor. Any Respondent's proposal must identify all subcontractors and describe the contractual relationship between the Respondent and each subcontractor. Either a copy of the executed subcontract or a letter of agreement over the official signature of the firms involved must accompany each proposal.

Any subcontracts entered into by the Respondent must be in compliance with all State statutes, and will be subject to the provisions thereof. For each portion of the proposed products or services to be provided by a subcontractor, the technical proposal must include the identification of the functions to be provided by the subcontractor and the subcontractor's related qualifications and experience.

The combined qualifications and experience of the Respondent and any or all subcontractors will be considered in the State's evaluation. The Respondent must furnish information to the State as to the amount of the subcontract, the qualifications of the subcontractor for guaranteeing performance, and any other data that may be required by the State. All subcontracts held by the Respondent must be made available upon request for inspection and examination by appropriate State officials, and such relationships must meet with the approval of the State.

The Respondent must list any subcontractor's name, address and the state in which formed that are proposed to be used in providing the required products or services. The subcontractor's responsibilities under the proposal, anticipated dollar amount for subcontract, the subcontractor's form of organization, and an indication from the subcontractor of a willingness to carry out these responsibilities are to be included for each subcontractor. This assurance in no way relieves the Respondent of any responsibilities in responding to this RFP or in completing the commitments documented in the proposal. The Respondent must indicate which, if any, subcontractors qualify as a Minority, Women, or Veteran Owned Business under IC 4-13-16.5-1 and Executive Order 13-04 and IC 5-22-14-3.5. See Sections 1.21, 1.22 and Attachments A/A1 for Minority, Women, and Veteran Owned Business information.

2.3.10 General Information

Each Respondent must enter your company's general information including contact information.

2.3.11 Experience Serving State Governments

Each Respondent is asked to please provide a brief description of your company's experience in serving state governments and/or quasi-governmental accounts.

2.3.12 Experience Serving Similar Clients

Each Respondent is asked to please describe your company's experience in serving clients of a similar size to the State that also had a similar scope. Please provide specific clients and detailed examples.

2.3.13 Indiana Preferences

Pursuant to IC 5-22-15-7, Respondent may claim only one (1) preference. For the purposes of this RFP, this limitation to claiming one (1) preference applies to Respondent's ability to claim eligibility for Buy Indiana points. **Respondent must clearly indicate which preference(s) they intend to claim. Additionally, the Respondent's Buy Indiana status must be finalized when the RFP response is submitted to the State.**

Buy Indiana

Refer to Section 2.7 for additional information.

2.3.14 Payment

Respondent should be able to accept payment by credit card as an optional form of payment, but should be able to accept other forms of payment from the State as

well. In the Respondent's proposal, the Respondent should agree to accept any credit card-user handling fees associated with acceptance of the State's Purchasing Card. Please demonstrate how your company will meet this requirement of accepting payment by credit card as the only form of payment if the State chooses to implement this policy.

2.4 TECHNICAL PROPOSAL

The Technical Proposal must be divided into the sections as described below. Every point made in each section must be addressed in the order given. The same outline numbers must be used in the response. RFP language should not be repeated within the response. Where appropriate, supporting documentation may be referenced by a page and paragraph number. However, when this is done, the body of the technical proposal must contain a meaningful summary of the referenced material. The referenced document must be included as an appendix to the technical proposal with referenced sections clearly marked. If there are multiple references or multiple documents, these must be listed and organized for ease of use by the State. **The Technical Proposal Template is Attachment F.**

- 2.4.1 General Requirements and Definitions
- 2.4.2 Online Capabilities and Ordering
- 2.4.3 Data Management and Integrity
- 2.4.4 Market Basket
- 2.4.5 Implementation and Transition
- 2.4.6 Customer Service and Account Management
- 2.4.7 Order Processing/Retail
- 2.4.8 Shipping and Delivery
- 2.4.9 Reporting
- 2.4.10 Supplier Relationships
- 2.4.11 Directed Sourcing

2.5 COST PROPOSAL

The Cost Proposal Template is Attachment D.

The Cost Proposal must be submitted in the original format. Any attempt to manipulate the format of the Cost Proposal document, attach caveats to pricing, or submit pricing that deviates from the current format will put your proposal at risk.

2.6 INDIANA ECONOMIC IMPACT

All companies desiring to do business with state agencies must complete an "Indiana Economic Impact" form (Attachment C). The collection and recognition of the information collected with the Indiana Economic Impact form places a strong emphasis on the economic impact a project will have on Indiana and its residents regardless of where a business is located. The collection of this information does not restrict any company or firm from doing business with the state. The amount entered in Line 16 "Total amount of this proposal, bid, or current contract" should match the amount entered in the Attachment D, Cost Proposal Template.

2.7 BUY INDIANA INITIATIVE/INDIANA COMPANY

It is the Respondent's responsibility to confirm its Buy Indiana status for this portion of the process. If a Respondent has previously registered its business with IDOA, go to <http://www.in.gov/idoa/2464.htm> and click on the link to update this registration. Click the tab titled Buy Indiana. Select the appropriate category for your business. Respondents may only select one category. Certify this selection by clicking the check box next to the certification paragraph. Once this is complete, save your selection and exit your account.

Respondents that have not previously registered with IDOA must go to <http://www.in.gov/idoa/2464.htm> and click on the link to register. During the registration process, follow the steps outlined in the paragraph above to certify your business' status. The registration process should be complete at the time of proposal submission.

Respondent must clearly indicate which preference(s) they intend to claim in the Business Proposal, Attachment E, Section 2.3.14 (Respondent will only be evaluated on the criteria selected/cited from IC 5-22-15-20.5). Additionally, Respondents that wish to claim the Buy Indiana preference (for any criteria listed below) must have an email confirmation of their Buy Indiana status provided by buyindianainvest@idoa.in.gov included in the proposal response. The email confirmation must have been provided from within one year prior to the proposal due date.

Defining an Indiana Business:

"Indiana business" refers to any of the following:

- (1) A business whose principal place of business is located in Indiana.
- (2) A business that pays a majority of its payroll (in dollar volume) to residents of Indiana.
- (3) A business that employs Indiana residents as a majority of its employees.

Respondents claiming this status must indicate which of the provisions above qualifies them as an Indiana business. They must also fully complete the Indiana Economic Impact Form (Attachment C) and include it with their response.

The following is the policy concerning items 4 & 5 described below. Appropriate documentation must be provided with your proposal response supporting either claim made below:

- (4) A business that makes significant capital investments in Indiana.
- (5) A business that has a substantial positive economic impact on Indiana.

Substantial Capital Investment:

Any company that can demonstrate a minimum capital investment of \$5 million or more in plant and/or equipment or annual lease payments of \$2.5 million or more shall qualify as an Indiana business under category #4. If an out of state company does not meet one of these criteria, it can submit documentation/justification to the State for review for inclusion under this category.

Substantial Indiana Economic Impact:

Any company that is in the top 500 companies (adjusted) for one of the following categories: number of employees (DWD), unemployment taxes (DWD), payroll withholding taxes (DOR), or Corporate Income Taxes (DOR); it shall qualify as an Indiana business under category #5. If a

Respondent needs assistance in determining if its business qualifies under this criterion, please send an email inquiry to buyindianainvest@idoa.in.gov and you will receive a response within forty-eight (48) hours. If an out of state company does not meet one of these criteria, it can submit documentation/justification to the State for review for inclusion under this category.

SECTION THREE PROPOSAL EVALUATION

3.1 PROPOSAL EVALUATION PROCEDURE

The State has selected a group of personnel to act as a proposal evaluation team. Subgroups of this team, consisting of one or more team members, will be responsible for evaluating proposals with regard to compliance with RFP requirements. All evaluation personnel will use the evaluation criteria stated in Section 3.2. The Commissioner of IDOA or their designee will, in the exercise of their sole discretion, determine which proposals offer the best means of servicing the interests of the State. The exercise of this discretion will be final.

The procedure for evaluating the proposals against the evaluation criteria will be as follows:

- 3.1.1 Each proposal will be evaluated for adherence to requirements on a pass/fail basis. Proposals that are incomplete or otherwise do not conform to proposal submission requirements may be eliminated from consideration.
- 3.1.2 Each proposal will be evaluated on the basis of the categories included in Section 3.2. A point score has been established for each category.
- 3.1.3 If technical proposals are close to equal, greater weight may be given to price.
- 3.1.4 Based on the results of this evaluation, the qualifying proposal determined to be the most advantageous to the State, taking into account all of the evaluation factors, may be selected by IDOA for further action, such as contract negotiations. If, however, IDOA decide that no proposal is sufficiently advantageous to the State, the State may take whatever further action is deemed necessary to fulfill its needs. If, for any reason, a proposal is selected and it is not possible to consummate a contract with the Respondent, IDOA may begin contract preparation with the next qualified Respondent or determine that no such alternate proposal exists.

3.2 EVALUATION CRITERIA

Proposals will be evaluated based upon the proven ability of the Respondent to satisfy the requirements of the RFP in a cost-effective manner. Each of the evaluation criteria categories is described below with a brief explanation of the basis for evaluation in that category. The points associated with each category are indicated following the category name (total maximum points = 103). For further information, please reference Section 3.2.3 below. If any one or more of the listed criteria on which the responses to this RFP will be evaluated are found to be inconsistent or incompatible with applicable federal laws, regulations or policies, the specific criterion or criteria will be disregarded and the responses will be evaluated and scored without taking into account such criterion or criteria.

Summary of Evaluation Criteria:

Criteria	Points
1. Adherence to Mandatory Requirements	Pass/Fail
2. Management Assessment/Quality (Business and Technical Proposal)	30 available points
3. Cost (Cost Proposal)	45 available points
4. Indiana Economic Impact	5
5. Buy Indiana	5
6. Minority Business Enterprise Subcontractor Commitment	5 (1 bonus point is available, see Section 3.2.6)
7. Women Business Enterprise Subcontractor Commitment	5 (1 bonus point is available, see Section 3.2.6)
8. Indiana Veteran Owned Small Business (IVOSB) Subcontractor Commitment	5 (1 bonus point is available, see Section 3.2.7)
Total	100 (103 if bonus awarded)

All proposals will be evaluated using the following approach. **Each of the six categories will be evaluated separately.**

Step 1

In this step proposals will be evaluated only against Criteria 1 to ensure that they adhere to Mandatory Requirements. Any proposals not meeting the Mandatory Requirements will be disqualified.

Step 2

The proposals that meet the Mandatory Requirements will then be scored based on Criteria 2 and 3 ONLY. This scoring will have a maximum possible score of 75 points. All proposals will be ranked on the basis of their combined scores for Criteria 2 and 3 ONLY. This ranking will be used to create a “short list”. Any proposal not making the “short list” will not be considered for any further evaluation.

Step 2 may include one or more rounds of proposal discussions, oral presentations, clarifications, demonstrations, etc. focused on cost and other proposal elements. Step 2 may include a second “short list”.

Step 3

The short-listed proposals will then be evaluated based on all the entire evaluation criteria outlined in the table above.

If the State conducts additional rounds of discussions and a BAFO round which lead to changes in either the technical or cost proposal for the short listed Respondents, their scores will be recomputed.

The section below describes the different evaluation criteria.

3.2.1 Adherence to Requirements – Pass/Fail

Respondents passing this category move to Phase 2 and proposal is evaluated for Management Assessment/Quality and Price.

The following 2 categories cannot exceed 75 points.

3.2.2 Management Assessment/Quality – 30 available points

3.2.3 Price – 45 available points

Cost scores will then be normalized to one another, based on the lowest cost proposal evaluated. The lowest cost proposal receives a total of 45 points.

$$\text{Respondent's Cost Score} = (\text{Lowest Cost Proposal} / \text{Total Cost of Proposal}) \times 45$$

3.2.4 Indiana Economic Impact (5 points)

See Section 2.6 for additional information.

The total number of full time equivalent (FTE – please see Section 1.2 for a definition of FTE's) Indiana resident employees for the Respondent's proposal, to execute the scope of work proposed in this RFP, (prime contractor and subcontractors) will be used to evaluate the Respondent's Indiana Economic Impact. Points will be awarded based on a graduated scale. The Respondent with the most Indiana FTEs will be awarded 5 points. Points will then be awarded to the remaining Respondents proportionately. Please see Attachment C, Indiana Economic Impact Form, for more detailed instructions.

3.2.5 Buy Indiana Initiative – 5 points

Respondents qualifying as an Indiana Company as defined in Section 2.7 will receive 5 points in this category.

3.2.6 Minority (5 points) & Women's Business (5 points) Subcontractor Commitment - (10 points).

The following formula will be used to determine points to be awarded based on the MBE and WBE goals listed in Section 1.20 of this RFP. Scoring is conducted based

on an assigned 10-point, plus possible 2 bonus-points, scale (MBE: Possible 5 points + 1 bonus point, WBE: Possible 5 points + 1 bonus Point). Points are assigned for respective MBE participation and WBE participation based upon the BAFO meeting or exceeding the established goals.

If the respondent’s commitment percentage is less than the established MBE or WBE goal, the maximum points achieved will be awarded according to the following schedule:

%	1%	2%	3%	4%	5%	6%	7%	8%
Pts.	.625	1.25	1.875	2.5	3.125	3.75	4.375	5.0

NOTE: Fractional percentages will be rounded up or down to the nearest whole percentage. (e.g. 7.49% will be rounded down to 7% = 4.375 pts., 7.50% will be rounded up to 8% = 5.00 pts.)

If the respondent’s commitment percentage is rounded down to 0% for MBE or WBE participation the respondent will receive 0 points.

If the respondent’s commitment percentage is 0% for MBE or WBE participation, a deduction of 1 point will be discounted on the respective MBE or WBE score.

The respondent with the greatest applicable CUF participation which exceeds the stated goal for the respective MBE or WBE category will be awarded 6 points (5 points plus 1 bonus point). In cases where there is a tie for the greatest applicable CUF participation and both firms exceed the goal for the respective MBE/WBE category both firms will receive 6 points.

3.2.7 Indiana Veteran Owned Small Business Subcontractor Commitment - (5 points).

The following formula will be used to determine points to be awarded based on the IVBE goal listed in Section 1.20 of this RFP. Scoring is conducted based on an assigned 5-point, plus possible 1 bonus-point, scale. Points are assigned for IVBE participation based upon the BAFO meeting or exceeding the established goals.

If the respondent’s commitment percentage is less than the established IVBE goal, the maximum points achieved will be awarded according to the following schedule:

%	0%	0.6%	1.2%	1.8%	2.4%	3%
Pts.	-1	1	2	3	4	5

NOTE: Fractional points will be awarded based upon a graduated scale between whole points. (e.g. a 0.3% commitment will receive .5 points and a 1.5% commitment will receive 2.5 points)

If the respondent’s commitment percentage is 0% for IVBE participation, a deduction of 1 point will be assessed.

The respondent with the greatest applicable CUF participation which exceeds the stated goal for the IVBE category will be awarded 6 points (5 points plus 1 bonus point). In cases where there is a tie for the greatest applicable CUF participation and both firms exceed the goal for the IVBE category both firms will receive 6 points.

3.2.8 Qualified State Agency Preference Scoring

When applicable, pursuant to Indiana Code 5-22-13, a qualified state agency submitting a response to this RFP will be awarded preference points for Minority, Women's, and Indiana Veteran Owned Small Business equal the Respondent awarded the highest combined points awarded for such preferences in the scoring of this RFP.

The Commissioner of IDOA or their designee will, in the exercise of their sole discretion, determine which proposal(s) offer the best means of servicing the interests of the State. The exercise of this discretion will be final.
