Visitation with offenders committed to the Indiana Department of Correction is a privilege. Visitation may be restricted, denied or suspended if an offender and/or visitor does not follow the Department’s visitation rules.

The following are the rules that a visitor must follow in order to be allowed to visit with an offender:

1. VISITORS LIST: In order to visit an offender, the visitor must be on the offender’s visitors’ list. The offender has been given information on how to put someone on his/her visitors list. If you are uncertain as to whether you are on the offender’s visitors’ list, please contact the offender you wish to visit. Do not call the facility for this information; it cannot be given over the phone. The offender is authorized twelve (12) persons on his visiting list not including Attorneys, Clergy, Government Officials and representatives of law enforcement, which shall schedule visitation through the ISP administration as needed.

2. LIABILITY: Visitors enter Department facilities and the visiting areas at their own risk. The Department of Correction will assume no liability for any injuries or damage or loss of property as a result of a person entering a visiting area or any other area within a facility.

3. SEARCHES: All visitors entering a Department of Correction facility shall be minimally subject to a frisk search by staff which shall include the breast and groin area being physically searched. With the visitor’s consent, this search may be conducted by staff of either gender. Additionally, visitors entering visiting areas shall be subject to additional searches using metal detectors and ion scanning equipment. Specially-trained search dogs (K-9s) may be used as a part of the search process both prior to a visitor entering the visiting area and in the actual visiting room during visits. Any person refusing to be searched at any time shall not be permitted to enter the facility and the visit will be cancelled. If contraband or prohibited property is found on the visitor or in the visitor’s property, the visit will immediately be cancelled and a suspension or termination of visiting privileges may be imposed state wide. If a visitor does not wish to be searched either by hand or by using other means, the visitor should not attempt to enter a Department of Correction facility.
