

Indiana Department of Correction

2013 Recidivism Report (2010 Releases)

(Based on County of Commitment)

The Indiana Department of Correction defines Recidivism as an offender's return to incarceration within three (3) years of their release date from a state correctional institution.

An offender is included in this study when they are released via one of the following avenues: Community Transition Program (CTP), Probation, Parole, or Discharged.

Once released, an offender is verified as a Recidivist if they return to the institutional custody of the Indiana Department of Correction for a new conviction or a technical violation of post-incarceration supervision.

In instances where offenders have multiple releases within the same year, the earliest release date is used to determine the offender's recidivism status. Therefore, the statistics listed throughout this report reflect the number of unique releases per year.

Felony Level and **Offense Category** are based off of the **Most Serious Offense** for the commitment period in which the offender was released from incarceration.

Offense Category Descriptions:

Controlled Substance – Dealing and Possession of Cocaine, Marijuana, and Schedule Drugs, etc.

Person – Murder, Manslaughter, Robbery, Battery, Carjacking, etc.

Property – Burglary, Residential Entry, Theft, Auto Theft, Forgery, etc.

Sex Offenses – Rape, Child Molesting, Sexual Misconduct with a Minor, Criminal Deviate Conduct, Incest, Sexual Battery, etc.

Weapon – Carry Handgun w/o License, Felon in Possession of Firearm, Pointing a Firearm, Possession of Firearm within 1 mile of School, etc.

Other- Resisting Law Enforcement, Driving Intoxicated/Suspended, Non-Support Child, Conspiracy, Aiding an Offense, Attempt to Commit a Felony, Missing Data, etc.
