The comments received and IDOI's responses to the comments are summarized as follows:

Matthew Jaworowski, Indiana Economic Development Corporation

Dillon Clair, The ERISA Industry Committee (ERIC)

**Comment:** ERIC requests the IDOI to amend the proposed rule to remove application to self-insured ERISA plans.

Peter Fjelstad, Pharmaceutical Care Management Association (PCMA)

**Comment:** PCMA requests that the IDOI refrain from mandating disclosure of data from self-insured ERISA plans when enforcing either the proposed rule or existing Indiana law.

the administrator shall give written notice of the nature of the violation and required steps to cure the violation to the health payer by registered or certified mail, return receipt requested, and copy the executive director on the written notice.

**(b)** If a health payer fails to provide the required information set forth in the written notice described in subsection (a) within thirty (30) calendar days after receiving the notice, the administrator shall give written notice of the failure to report to the health payer by registered or certified mail, return receipt requested and notify the executive director of the health payer's failure to report.

**(c)** The executive director may assess a penalty for uncured violations of up to:

- (1) one hundred dollars (\$100) a day, for each issue, for the first thirty (30) days a health payer fails to provide the required data to the APCD, beginning on the date the health payer receives written notice of the failure to report described in subsection (b); and
- (2) one thousand dollars (\$1,000) for each day thereafter.

In determining whether to impose a penalty, the executive director may consider mitigating factors, including the reasons for the failure to report and the detrimental impact on the public purpose served by the APCD.

**(d)** If the failure to perform any of the actions set forth in subsection (a) is a result of the action or inaction of a contracted entity identified as a designated submitter or a designated submitter representative, the penalty is assessed to the health payer.

**(e)** The penalties specified in this section do not apply to voluntarily participating entities.

**(f)** Penalties will be deposited into the department of insurance fund created by [IC 27-1-3-28](#).
