

STATE OF INDIANA

Eric J. Holcomb
Governor

Indiana State Department of Toxicology

Christina Beymer, PhD
Director

September 20, 2024

Name of Agency or Office: Indiana State Department of Toxicology (ISDT)

Name of Recipient: Melissa Galey

Title of Recipient: Forensic Toxicologist

Brief Description of Item Solicited, Accepted, or Received and Approximate Value of Item:
Payment of expenses to attend Drug Recognition Expert (DRE) Field Certification in Jacksonville, Florida.

The total cost for expenses, including roundtrip airfare from Indianapolis, IN, to Jacksonville, FL, (flight, lodging, per diem, luggage fees) is \$1,275.26.

Date of Receipt: 8/21/24 – 8/25/24

Name of Donor: Dedicated Training Resources, LLC

Donor's Address: Indianapolis, IN

Nature of Business Relationship with Agency: Dedicated Training Resources, LLC, is owned by Marshall Depew, who is a contractor for the Indiana Criminal Justice Institute serving as the DRE program coordinator for the state of Indiana. ISDT works closely with the DRE program by providing training to officers and alcohol and drug testing in criminal investigations.

State Why Acceptance is in the Public Interest: Ms. Galey's job duties include providing expert testimony on the issue of intoxication and training on the science of toxicology. Attendance at this training provided Ms. Galey the opportunity to observe subjects under the influence of drugs and to correlate those observations with drug test results. She was also able to provide toxicology training to Indiana DRE officers in correlation with observations of subjects under the influence of drugs. Ms. Galey's attendance at this training further developed her own knowledge as an expert and enhanced the training of the DRE officers.

Christina Beymer
