

INDIANA GAMING COMMISSION  
CHARITY GAMING DIVISION  
Fiscal Year 2024

Every qualified organization that holds a charity gaming license must file a financial report for each license type held. The statistics supplied herein are based on the financial reports provided by licensed qualified organizations for events conducted during the state's FY24 (July 1, 2023, through June 30, 2024). An organization cannot be issued successive gaming licenses until it has filed a financial report for its previously held event(s).

Events with gross receipts as \$0.00 and total expenses as \$0.00 indicate an event that was approved and then cancelled by the organization. Events with \$0.00 in total expenses only reflect donated prizes.

Organizations may appear more than once in the following listings for any of the following reasons:

- An organization may have held more than one type of license during FY24. An Annual Activity license is normally valid for twelve (12) months. Under IC 4-32.3 an organization could apply for and receive a single Annual Activity license to conduct different types of charitable gaming activities under the same license.
- Under IC 4-32.3 an unlimited number of Single Activity licenses for bingos, guessing games, raffles, and water races may have been issued to organizations during FY24 if all required applications, financial reports, and fees were received and approved by the Indiana Gaming Commission.
- Under IC 4-32.3 an organization is limited to applying for and receiving up to six (6) Single Activity licenses for Casino Game Night activities and up to three (3) Festival Activity licenses during the calendar year.

This report includes gaming statistics from six (6) national organizations and one (1) national foundation who held Annual Affiliate Charity Gaming licenses (AAL).

An AAL allows approved affiliates of the national organization or national foundation to file an Affiliate Notification form to obtain approval to conduct their allowable raffle or bingo events in lieu of each affiliate applying for qualification status and obtaining individual licenses. At the conclusion of the affiliate raffle or bingo event, the affiliate must complete and submit an Event Summary Report (ESR) to the Charity Gaming Division while supplying the national organization or national foundation with a copy. The national organization or national foundation who holds the license at the conclusion of the annual license accounting period must combine all the affiliates ESR's into the Annual Affiliate Financial Report. This filing is used to determine the national organization's or national foundation's license fee for renewing the Annual Affiliate license. License fees are set by statute under IC 4-32.3-6-7.

Please visit our website and review documents such as the Charity Gaming Statute (IC 4-32.3), Charity Gaming Regulations (68 IAC 21) and Charity Gaming Basics.
