

**MEMORANDUM**

**DATE:** December 11, 2024  
**TO:** Charity Gaming Qualified Organizations, Manufacturers, and Distributors  
**FROM:** Indiana Gaming Commission ("Commission")  
**SUBJECT:** *Licensed Supply Determination for Certain Bingo Supplies*

---

Effective immediately, bingo roll cages and solid bingo balls used with roll cages are no longer considered to be licensed supply pursuant to Ind. Code 4-32.3-2-22 and 68 IAC 21-8-14.

All other types of equipment used to determine the play spots or winners of a bingo game, including but not limited to blowers, hollow balls used with blowers, and electronic devices or systems, continue to be considered licensed supply and must be purchased from an appropriately licensed entity.

The Indiana Gaming Commission reserves the right to inspect and deny use of any bingo roll cages and solid bingo balls that may impact the integrity of the activity. Additionally, the IGC also reserves the right to reclassify bingo roll cages and solid bingo balls at any time.
