Commercial and Office Space: IHCDA Rental Housing financing resources cannot be used to finance commercial space within a Development. Income generated and expenses incurred from this space, though, must be factored into IHCDA's underwriting for the Development as a whole when reviewing the application. If the Development involves the development of commercial space, the applicant will need to provide separate annual operating expense information and a separate 15-year proforma for the commercial space. Be sure to label which forms are for the housing and which ones are for the commercial space. Also separate out all development costs associated with the commercial space on line M of the Development Costs chart.

9. Tax-Exempt Bond Financing/Credit Enhancement

a. If Multi-family Tax Exempt Bonds are requested, list percent such bonds represent of the aggregate basis of the building and land of the development:

If this percentage is 50% or more , a formal allocation of credits from IHCDA is not necessary (although the development must satisfy and comply with all requirements for an allocation under this Allocation Plan and Section 42 of the Code. The Issuer of the bonds must determine the maximum amount of credits available to the development which, just as for developments which do need allocation, is limited to the amount of credits necessary to make the development financially feasible). AT THE TIME OF SUBMITTING THIS APPLICATION, YOU MUST PROVIDE IHCDA WITH AN OPINION OF COUNSEL, SATISFACTORY TO IHCDA, THAT YOU ARE NOT REQUIRED TO OBTAIN AN ALLOCATION OF TAX CREDITS FROM IHCDA AND THAT THE DEVELOPMENT MEETS THE REQUIREMENTS OF THE ALLOCATION PLAN AND CODE.
