Commercial and Office Space: IHCDA Rental Housing financing resources cannot be used to finance commercial space within a Development. Income generated and expenses incurred from this space, though, must be factored into IHCDA's underwriting for the Development as a whole when reviewing the application. If the Development involves the development of commercial space, the applicant will need to provide separate annual operating expense information and a separate 15-year proforma for the commercial space. Be sure to label which forms are for the housing and which ones are for the commercial space. Also separate out all development costs associated with the commercial space on line M of the Development Costs chart.

Note: The actual amount of credit for the Development is determined by IHCDA. If the Development is eligible for Historic Tax Credit, include a complete breakdown of the determination of eligible basis for the Historic Credit with the Application. If the Development's basis has been adjusted because it is in a high cost area or qualified census tract, the actual deduction for the Historic Cost items must be adjusted by multiplying the amount by 130%. This does not apply to Historic Tax Credits.

- 3.

 For purposes of reviewing this Application, IHCDA is entitled to rely upon the representations of the undersigned as to the inclusion of costs in eligible basis and as to all of the figures and calculations relating to the determinations of qualified basis for the development as a whole and for each building therein individually as well as the amounts and types of credit applicable thereto, and that the issuance of a reservation based on such representations in no way imposes any responsibility on the IHCDA for the accuracy of these representations or their compliance with IRC requirements;

- If the IHCDA believes, in its sole discretion, that the Development will not be completed or that any condition set forth in the Application will not be satisfied within the required time period, or will become unsatisfied or will otherwise cause the Development to fail to qualify for a Bond allocation, the Issuer agrees that the IHCDA may rescind and retrieve any funds allocated to the Issuer. The Issuer acknowledges that all terms, conditions, obligations and deadlines set forth in this Application constitute conditions precedent to any allocation of funds, and the Development's failure to comply with any of such terms and conditions shall entitle the IHCDA, in its sole discretion, to deem the allocation canceled by mutual consent. After any such cancellation, the Issuer acknowledges that neither it nor the Development will have any right to claim funds. The IHCDA reserves the right, in its sole discretion, to modify and/or waive any such failed condition precedent, so long as such waiver does not violate any Code requirements relating to the Development;
- 8. The requirements for applying for funding and the terms of any reservation or allocation thereof are subject to change at any time by federal or state law, federal, state or IHCDA regulations, or other binding authority;
- 9. Reservations may be subject to certain conditions to be satisfied prior to allocation and shall in all cases be contingent upon the receipt of the required Application and reservation fees;
