Re: **Request for Proposals – Consultant to Provide Training & Technical Assistance for 2024 Planning Grant for Program Design and Implementation**

The Indiana Housing and Community Development Authority seeks to contract with a consultant to provide technical assistance on program design, implementation, and outcomes data collection to awardees of IHCD A's 2024 Planning Grant for Program Design and Implementation as detailed in the Scope of Services section of the RFP.

IHCD A released an application for the state's Community Action Agencies to apply for competitive funding to increase program efficacy and improve service delivery and outcomes measurement within an existing program. This process will start with program design and development and progress through implementation and evaluation planning. A cohort of no more than three agencies will be selected to work with the IHCD A-procured consultant on their proposed program design and plan.
