Re: **Indiana PSH Provider Symposium Registration**

The Indiana Permanent Supportive Housing (PSH) Provider Symposium, hosted by IHCD and CSH, will take place on October 1-2, 2024 in Indianapolis. The symposium is open to staff who work at supportive housing properties around the state that were developed through the CSH/IHCD Supportive Housing Institute and staff that work on Continuum of Care (CoC) PSH grants with the Indianapolis or Balance of State CoCs.

The Symposium content is focused on property managers, supportive services staff, and supervisors, and we also welcome other staff affiliated with or working at the property or project who want to learn more about PSH (tenants, maintenance and facilities staff, etc.). There will be content appropriate for staff at any level of experience in PSH and we have a "SH 101 track" for those who are newer to PSH.

We hope you will join us for this great opportunity for learning and networking with your fellow PSH providers. The full conference agenda and session descriptions are available on the registration portal. If you or your staff are interested, please register as soon as possible to reserve your space. As space allows, we will also accept in person day of event registration with a "pay later" option.

The Symposium is \$55 (\$25 for attendees with lived experience). Registration includes access to all sessions, lunch provided both days, and snack & beverage breaks.

The Symposium will take place at 30 South Meridian Street, Indianapolis, IN 46204. Hotel and parking suggestions are provided within the registration portal.
