

2025 Spring Development Day

TAG	DESCRIPTION
Youth	These sessions are geared towards anyone looking to learn more about options for helping youth experiencing homelessness
Case Management (Foundational)	Intended for case managers with 2 or less years of experience. Will focus on foundational skills and information.
Case Management (Advanced)	Intended for case managers with 3 or more years of experience. Will focus on more advanced topics that assume a level of foundational knowledge.
Data 1, Data 2	These sessions will focus on data. Data 1 will be broader with Data 2 being more specific in focus. Data 2 sessions assume a familiarity with certain types of data and attendees are encouraged to attend both sessions.
Grants	Sessions with this tag have a focus on grants that the CoC and IHCD manage.
Compliance and Monitoring	These sessions will focus on topics surrounding compliance with expectations, grant agreements, laws, and regulations. They will additionally include tips for internal review to avoid common compliance issues.
Agency Leadership	These session topics are most ideal for agency or program leadership.
Regional Leadership	These sessions topics are most ideal for regional leadership roles or individuals actively involved in multi-agency partnerships.
Mindfulness	This session is for anyone looking for ways to deal with stress
