## REGISTRATION

This course is restricted to US military law enforcement personnel along with other local, state, and federal civilian law enforcement employees to include criminal analysts, and corrections officers.

**THERE IS NO COST TO ATTEND THIS COURSE.**

## COURSE DESCRIPTION

Raids for high risk narcotic warrants are extremely dangerous, and we can never be totally prepared for every eventuality in the fluid and dangerous environments we operate in.

This course focuses on planning and preparing for high-risk narcotic raids, emphasizing safety and success in unpredictable environments. Learn precautions, scenario-based training, and structured briefing techniques to enhance officer confidence and operational effectiveness during counter-narcotic operations.
