## Indiana Transportation Map 2004

Joseph E. Kernan, Governor

INDIANA

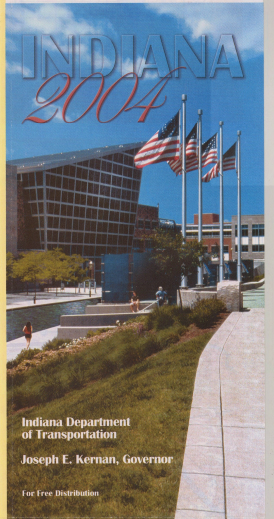

### A message from Governor Joseph E. Kernan...

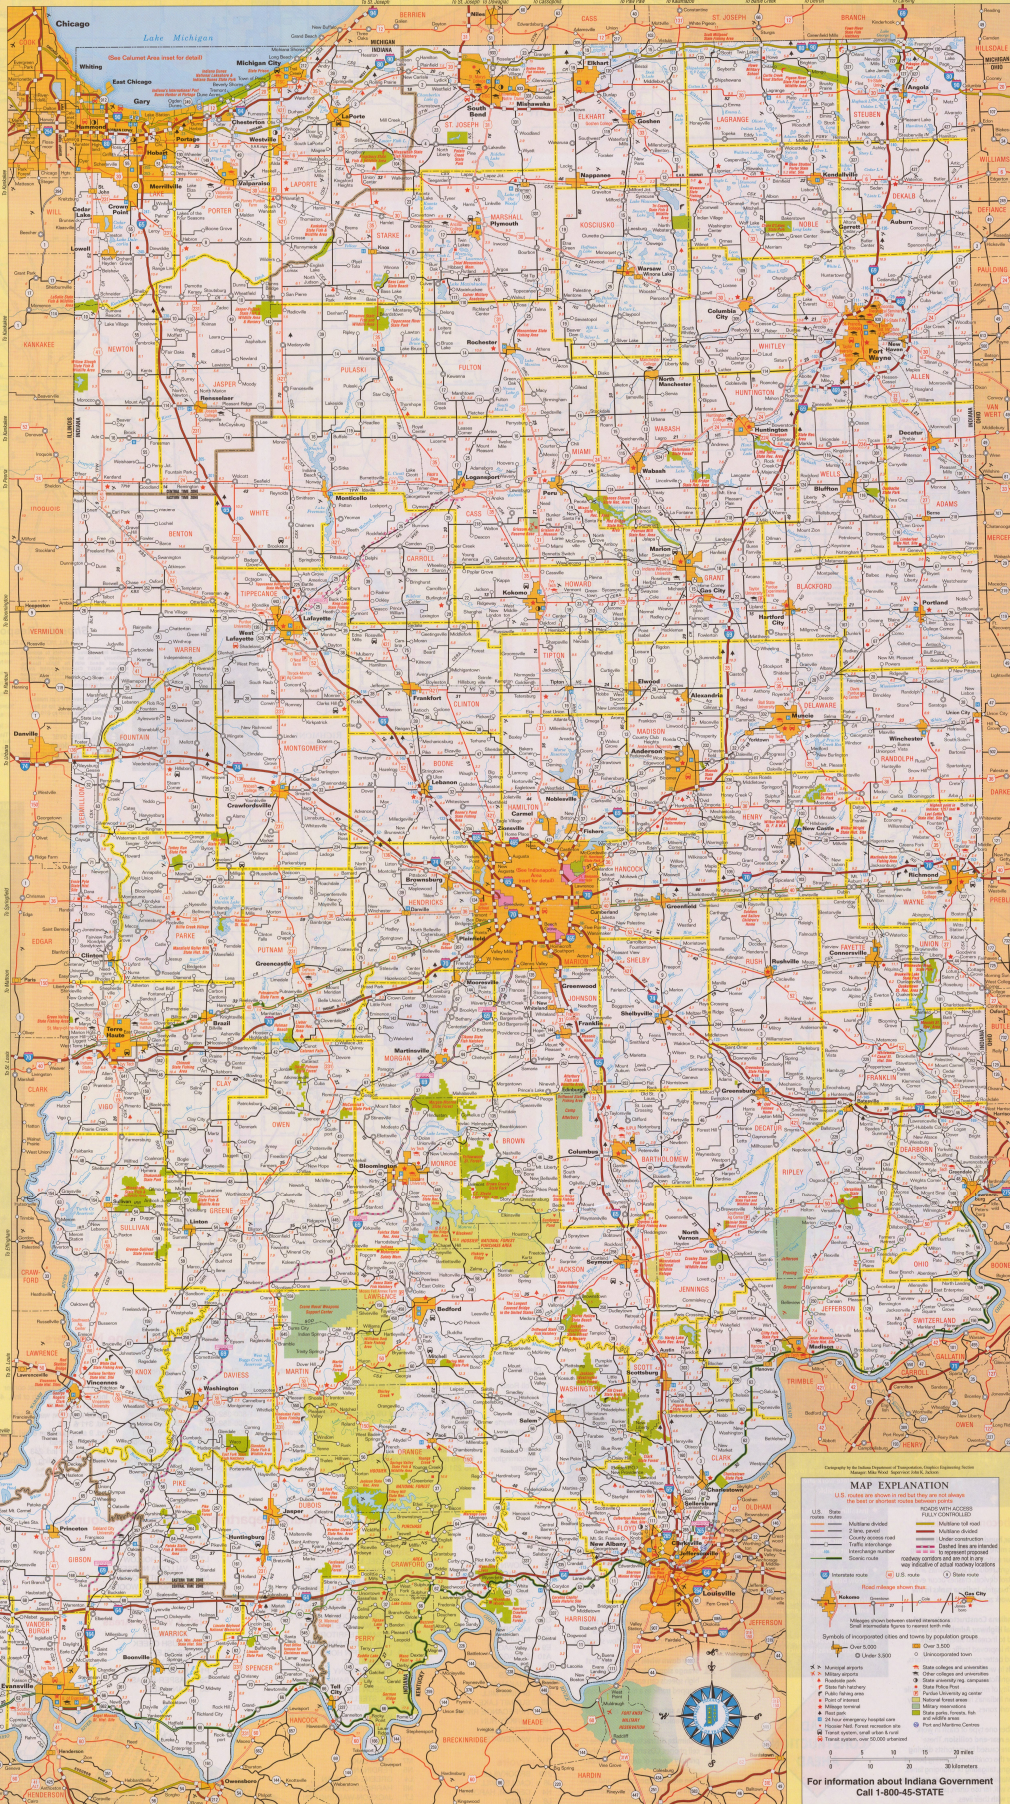

The official 2004 Indiana State Highway Map celebrates the vision and leadership of two remarkable Indiana citizens, Governor Robert D. Orr (Evansville) and Governor Frank O'Bannon (Corydon).

Both were champions of White River State Park and the new Indiana State Museum (pictured on the cover of this map). The State Museum and the Medal of Honor Memorial in downtown Indianapolis are visible reminders of our heritage and of the sacrifices of those who have come before us.

May this map provide guidance for a new generation of Indiana travelers and serve as a tribute to two outstanding public servants.
