INDIANA

I am pleased to present the official 2007-2008 Indiana State Highway Map. Probably no one travels our state as constantly as I do, so I know you'll soon discover the vibrant cities, quaint towns, beautiful rural countryside and peaceful natural wonders that any state would be proud of.

And no matter what road you choose, you'll come across good-hearted, hardworking people who will extend a hand and a friendly welcome. We call it Hoosier Hospitality, and when you experience it, that's when you'll know you've really discovered Indiana.

I wish you safe and enjoyable travels.
