### Demographic Information
- Injury Incident Date
- Injury Incident Time
- Date of Birth
- Age
- Age Units
- Race
- Ethnicity
- Gender
- Patient’s Home Country
- Patient’s Home Zip Code
- Patient’s Home City
- Patient’s Home County
- Patient’s Home State
- Alternate Home Residence
- Primary Method of Payment
- Patient’s Occupational Industry
- Patient’s Occupation

### Injury Information
- ICD-10 Location Code
- Incident Location Zip Code
- Incident Country
- Incident City
- Incident County
- Incident State
- ICD-10 Primary Code
- ICD-10 Additional Code
- Report of Physical Abuse
- Investigation of Physical Abuse
- Caregiver at Discharge

### Pre-Hospital Information
- Transported to Your Facility
- By Estimated Body Weight
- Vehicular, Pedestrian, Other Risk Injury
- Airbag Present*
- Airbag Not Deployed*
- Airbag Deployed Side*
- Airbag Deployed Front*
- Airbag Deployed Other*
- Child Restraint*

### Initial Assessment Information
- Height
- Weight
- Initial ED/Hospital GCS – Eye
- Initial ED/Hospital GCS – Verbal
- Initial ED/Hospital – Motor
- Initial ED/Hospital GCS
- Assessment Qualifiers
- Initial ED/Hospital
- Temperature
- Initial ED/Hospital Systolic Blood Pressure
- Initial ED/Hospital Pulse Rate
- Initial ED/Hospital Respiratory Rate
- Initial ED/Hospital Oxygen Saturation
- Initial ED/Hospital Manual GCS Total
- Initial ED/Hospital GCS Initial ED/Hospital Supplemental Oxygen
- Initial ED/Hospital Respiratory Assistance
- Alcohol Screen
- Alcohol Screen Results
- Drug Screen

### Diagnosis Information
- AIS 05 Code
- AIS Version
- AIS Severity
- ICD-10 Injury Diagnosis
- AIS Based Injury Severity Scores
- Locally Calculated ISS

### Co-Morbidity Information
- Co-Morbid Conditions

### Procedures Information
- ICD-10 Hospital Procedures
2017 Trauma Registry Data Elements (NTDB)

Hospital Procedure Start Date
Hospital Procedure Start Time

**Complications / PI Information**
Hospital Complications

**Outcome Information**
Hospital Discharge Date (Orders Written)
Hospital Discharge Time (Orders Written)
Total ICU Days
Total Ventilator Days
Hospital Discharge Disposition

* = only needed if involved in a car accident as they default to “Not Applicable”
