The following thirty-day filings have been submitted to the Commission. Each item was reviewed by the appropriate Commission Technical Divisions and all regulations were met in accordance with 170 IAC 1-6 Thirty-Day Administrative Filing Procedures and Guidelines. Therefore, the following filings listed below and attached hereto are recommended to be considered by the Commission at the next conference:

Attachment Number	30-Day Filing No.	Name of Utility Company	Type of Request	Date Received
1	50766	Indiana Michigan Power Company	Requested Changes to I&M Terms and Conditions of Service.	7/31/2024
2	50768	Sunman Telecommunications LLC	The purpose of this filing is to establish a complete Sunman Telecommunications LLC baseline intrastate access tariff.	8/2/2024

Submitted By: Jane Steinhauer
Director, Energy Division

Filing Party: Indiana Michigan Power (“I&M”)

30-Day Filing ID No.: 50766

Date Filed: July 31, 2024

Filed Pursuant To: 170 IAC 1-6-1

Request: At the Commission’s request, I&M submits two language modifications of its “Terms and Conditions of Service” in this thirty-day filing. The first modification clarifies requirements for new service when the applicant maintains a debt balance from a previous account. The second modification removes reference to denying service to new customers and clarifies requirements for customers applying for new service with the company.

Customer Impact: This revision will not affect any rates or charges for any customer taking gas service under the Company’s Rates, Rules, and Regulations for Gas Service.

Tariff Page(s) Affected: IURC No. 20, Original Sheet No. 3.8.

Staff Recommendations: I&M has met all requirements for its request. Staff recommends approval of the proposed revision to the tariff language.

Director, Communications Division

Filing Party: Sunman Telecommunications, LLC (“Sunman”)

30-Day Filing ID No.: 50768

Date Filed: August 2, 2024 (eff. upon filing, pursuant to Ind. Code 8-1-32.5-11(c)).

Filed Pursuant To: IC 8-1-32.5-11(c); 170 IAC 1-6; and IURC Cause Nos. 45733 & 44004.

Request: Sunman is requesting approval of a new baseline intrastate access tariff: Sunman Telecommunications, LLC, Intrastate Access Service Tariff I.U.R.C. No. 1. Effective August 2, 2024, Sunman will no longer concur in the Rochester Telephone Company Intrastate Access Services Tariff U.R.C. No. 1. Instead, Sunman will concur in the Moss Adams LLP Interstate Tariff No. 1. subject to the intrastate exceptions shown in the referenced Sunman intrastate access tariff.

Retail Customer Impact: There is no impact on retail customers for Sunman’s intrastate switched access services. Sunman’s intrastate special access services are not offered to the general public or to any residential customers.

Tariff Page(s) Affected: Tariff I.U.R.C. No. 1 (“Intrastate Access Service”), all tariff pages and check sheets.

Staff Recommendations: Requirements in 170 IAC 1-6 and in IURC Cause Nos. 45733 & 44004 were met. This tariff became effective upon filing (i.e., on Aug. 2, 2024), pursuant to Ind. Code 8-1-32.5-11(c). However, pursuant to IC 8-1-88.6 and as affirmed in Cause No. 45733, the Commission must still review the tariff to determine its reasonableness. After performing such a review, **Staff** believes the requested relief to be reasonable and **recommends approval of the tariff submitted as 30-Day Filing # 50768.** The approval date will be the date of the IURC conference at which the instant 30-day filing is approved through the Utility Articles process.
