# SAFE WORSHIP

Training to Safeguard  
Places of Worship

Shelby County Health Department

Saturday, October 26, 2024

8am-12noon

# **You Are Invited to IDES Training** **International Disaster Emergency Service**

www.ides.org

## **Who:**

All Shelby County houses of worship and public safety agencies.

## **What:**

IDES “Safe Worship” church security training, and DHS Stop the Bleed emergency first aid training.

## **When:**

Saturday, October 26th, 2024; 7:30am registration, coffee/donuts; 8am - 12 Noon, Safe Worship, then Stop the Bleed workshop.

## **Where:**

The Ville Church, 2133 Tucker Road, Shelbyville, IN (new address), 317-474-9401 [www.villechurch.org](http://www.villechurch.org).

## **Why:**

Steps to safeguard houses of worship. Learn how to:

- Reduce the overall risk of violence, especially before the crisis;
- Reduce the number of injuries during the attack;
- Increase the survivability of injured persons in the minutes after the attack.

The Safe Worship seminar covers what to do well before the incident, deals with the critical 5 minutes of the incident, and continues with the equally critical 15-20 minutes after the incident.

## **Who should attend “Safe Worship” Training:**

Full-time and volunteer ministry staff; eldership / leadership; department heads (children, special needs); greeters / ushers; those who regularly pass the communion and offering plates; members of existing safety / security teams; members of law enforcement and Fire/EMS; and members with concealed carry permits.

## **The Safe Worship seminar includes:**

Background of IDES; Need for a Security Plan, Site Assessment; Greeters and Ushers - First Line of Defense; Safety/ Security Team; Armed Security Team; Run. Hide. Fight (updated); Medical Response Teams; Crisis Recovery Teams; Emergency Medical Care - First 10 minutes.
