

## **Public Notice of Petroleum Release**

Local health departments are required by statute (IC 13-23-16) to inform the public of the discovery of released regulated substances at an underground storage tank site or in the surrounding area under 329 IAC 9-4-1(1) or a spill or overfill under 329 IAC 9-4-4(a). The Indiana Department of Environmental Management (IDEM) was notified on May 21, 2024, of such an incident from the owner or operator of Speedway #5153 located at 2150 South Bend Avenue in South Bend. According to the release report from May 21, 2024, elevated analytical results were observed during the UST removal. A UST Closure Report will be submitted once the closure is complete.
