IHCP announces new HHS OIG compliance program guidance for nursing facility providers

The Indiana Health Coverage Programs (IHCP) would like to advise IHCP nursing facility providers of a new free compliance program resource offered by the U.S. Department of Health and Human Services Office of Inspector General (HHS OIG). On Nov. 20, 2024, the HHS OIG posted a new Industry Segment-Specific Compliance Program Guidance (ICPG) titled [Nursing Facility Industry Segment-Specific Compliance Program Guidance](#).

The HHS OIG advises, “The Nursing Facility ICPG – together with OIG’s [General Compliance Program Guidance \(GCPG\)](#) that applies to all individuals and entities involved in the healthcare industry – serves as OIG’s updated and centralized source of voluntary compliance program guidance for nursing facilities. Nursing facilities can use the ICPG to help identify their own risks and implement an effective compliance and quality program to reduce those risks.”
