Before You Begin!

You are encouraged to use the Provider Healthcare Portal for submitting enrollment transactions to the Indiana Health Coverage Programs (IHCP). You will find the online process quick and easy, with online help features to guide you. When you complete your transaction, the Portal will provide a paper confirmation of your enrollment transaction that you will be able to print for your records.

For additional help using the Portal, online web-based training for the new Provider Healthcare Portal is available on the *Provider Healthcare Portal Training* page at in.gov/medicaid/providers.

If you choose not to use the Portal, you may use paper forms.

Which Providers Should Use This Packet to Enroll in the IHCP?

- You should use this packet only if you are an ordering, prescribing, or referring (OPR) provider **and** are not otherwise enrolled as a provider with the Indiana Health Coverage Programs (IHCP).
- OPR providers do not bill the IHCP for services rendered to members; they only order, prescribe, and/or refer services and supplies for their IHCP-eligible patients. If you are already enrolled in the IHCP as another type of provider, you do not need to complete this form.
- This form should not be used to enroll as a billing, group, or rendering provider with the intent to submit claims for reimbursement. To enroll as a billing, group, or rendering provider, see the *Complete an IHCP Provider Application* page at in.gov.medicaid/providers.
- **OPR organizations** – Practitioners within your organization who might order, prescribe, or refer services or supplies for IHCP-eligible members will need to enroll separately as individual OPR providers.
- **Opioid Treatment Programs (OTPs)** – OTPs enrolling only to order, prescribe, or refer for services, and that do not intend to submit claims for reimbursement, should use this packet to identify their entity/organization or an individual as an OPR provider with an OTP specialty. To bill for services, OTPs should see the *Complete an IHCP Enrollment Application* page at in.gov.medicaid/providers and enroll using the packet appropriate for their provider type and specialty.
