

Appendix C: List of Figures

Chapter 1 Figures

Figure I.1 Northwest Indiana Growth and Conservation Vision Map.....	I-3
Figure I.2 Population Change Over Time	I-7
Figure I.3 Population Change 1980-2010 (Generalized)	I-9
Figure I.4 Race as a Percentage of Total Regional Population, 1980-2010	I-12
Figure I.5 Hispanic Population as a Percentage of Total Regional Population	I-12
Figure I.6 Median Age by County, State and Nation 1980-2010.....	I-13
Figure I.7 Population by Age and Gender as % of Total 2010-2040	I-13
Figure I.8 NIRPC Region New Housing Permits 1990-2009	I-14
Figure I.9 Annual Growth in Population and Housing Units	I-15
Figure I.10 Residential Vacancies.....	I-16
Figure I.11 Mortgage Interest Rates 1980-2009.....	I-18
Figure I.12 CNT Comparison of Traditional Affordability Metrics & their Housing and Transportation Affordability Index for Lake & Porter Counties ..	I-19
Figure I.13 Existing Land Use in Northwest Indiana Region.....	I-20
Figure I.14 Existing Land Use in Northwest Indiana Region.....	I-21
Figure I.15 Percent Land Use Change, 1992-2006	I-23
Figure I.16 Percent Change of Agricultural Land, 1992-2006.....	I-23
Figure I.17 Northwest Indiana Region 2006 Land Cover	I-24
Figure I.18 Loss of Open Space 1992-2006	I-27
Figure I.19 Loss of Agriculture Land 1992-2006.....	I-28
Figure I.20 Relationship of Residential Development to Open Space.....	I-29
Figure I.21 Additional Land Development between 1992 and 2006	I-31
Figure I.22 Regional Population 1970-2040 (projected)	I-32
Figure I.23 Regional Planning Areas	I-34
Figure I.24 Potential Infill Areas.....	I-35
Figure I.25 Case Study Illustration: I-65 and U.S. 30 Retrofit	I-36
Figure I.26 The Marquette Plan	I-37
Figure I.27 South Shore Corridor Transit Oriented Development and Rail Station Plan.	I-39
Figure I.28 Regional Projected Developable Land Using Priority Ranking System, NIRPC	I-42
Figure I.29 Gary Green Link.....	I-46
Figure I.30 Sensible Tools Handbook for Indiana. NIRPC, 2007	I-47
Figure I.31 Preliminary High-Speed Rail Station Planning Concept. NIRPC, 2010	I-49
Figure I.32 Northwest Indiana's Livable Centers.....	I-51
Figure I.33 Northwest Indiana Watershed Areas	I-57

Figure I.34 An Illustration of Land Division in the Three-County Region.....	I-60
Figure I.35 Best Practices Example of Land Division	I-60
Figure I.36 Accessibility to Grocery Stores for Drivers and Non-Drivers	I-63
Figure I.37 Adult Diabetes Rates in the Region and Vicinity.	I-64
Figure I.38 Acreage Devoted to Certain Crops	I-65

Chapter 2 Figures

Figure II.1 Map of the Regional Highway Network.....	II-9
Figure II.2 Primary Causes of Roadway Collisions in Northwest Indiana.....	II-12
Figure II.3 All Crashes in Lake, Porter, and LaPorte Counties: 2005-2009.....	II-12
Figure II.4 Crashes in Lake, Porter and LaPorte Counties Involving Nonmotorized Transportation: 2005-2009.....	II-13
Figure II.5 Crashes in Lake, Porter and LaPorte Counties Involving Trucks: 2005-2009.....	II-13
Figure II. 6 Crashes in Lake, Porter and LaPorte Counties at Railroad Crossings: 2005-2009.	II-14
Figure II.7 Crashes in Lake, Porter and LaPorte Counties Involving Buses: 2005-2009.....	II-14
Figure II.8 Percentage of Bus <i>Crashes</i> by County 2005-2009	II-15
Figure II.9 Diagram of Traditional Congestion Management Process Steps.....	II-16
Figure II.10 2008 Roadway Level of Service in Lake, Porter, and LaPorte Counties	II-18
Figure II.11 2040 Roadway Level of Service in Lake, Porter, and La Porte Counties	II-19
Figure II.12 Illustrates the list of projects and their generally expected completion dates.	II-29
Figure II.13 Commuter Rail Service Levels	II-31
Figure II.14 Service Levels for Fixed Route Operators by Transit Operating Agency	II-31
Figure II.15 Service Levels for Demand Response Operators by Transit Operating Agency	II-32
Figure II.16 Commuter Rail Ridership.....	II-32
Figure II.17 Riders by Transit Operating Agency	II-33
Figure II.18 Ridership for Demand Response Operators by Transit Operating Agency.....	II-33
Figure II.19 Existing Public Transit – Commuter Rail and Fixed Route, NIRPC, April, 2011.....	II-34
Figure II.20 Existing Public Transportation – Public Demand Response Service Areas	II-35
Figure II.21 Regional Transit Vision for Livable Centers, NIRPC, April 2011.	II-39
Figure II.22 High Speed Rail Corridors	II-43
Figure II.23 Gary/Chicago International Airport Layout.....	II-45
Figure II.24 Gary-Chicago International Airport Area Recommendations	II-46
Figure II.25 Northwest Indiana Freight Infrastructure.....	II-48
Figure II.26 Projected Freight Movements by Weight and Mode, 2007 - 2040.....	II-49
Figure II.27 Peak-Period Congestion on High-Volume Truck Portions of the National Highway System, 2007.....	II-50
Figure II.28 Peak-Period Congestion on High-Volume Tuck Portions of the National Highway System, 2040.	II-50
Figure II.29 Regional Rail Infrastructure.	II-51
Figure II.30 Rail Traffic Density.	II-52

Figure II.31	Trains per Day at Highway-Rail Grade Crossings.	II-52
Figure II.32	Off-Road Trail Miles Since 1990, NIRPC, 2011.	II-57
Figure II.33	Potential Regional Blueways, NIRPC, 2007.	II-58
Figure II.34	NIPSCO Corridors, NIRPC, 2004.	II-60
Figure II.35	Priority Regional Corridors Map, NIRPC, 2010.	II-61
Figure II.36	Environmental Justice Analysis Base Map: Population, Destinations, and Major Transportation	II-65
Figure II.37	Transit Access to Jobs	II-68
Figure II.38	Auto Access to Jobs.....	II-68
Figure II.39	Transit Access to Shopping Opportunities.....	II-69
Figure II.40	Drive Access to Shopping Opportunities	II-69
Figure II.41	Transit Access to Non-Shopping Opportunities.....	II-70
Figure II.42	Auto Access to Non-Shopping Opportunities	II-70
Figure II.43	Percent of Population within 20 Minutes of a College or University by Transit	II-70
Figure II.44	Percent of Population within 20 Minutes of a College or University by Auto.....	II-70
Figure II.45	Percent of Population within 20 Minutes of a Hospital by Transit	II-71
Figure II.46	Percent of Population within 20 Minutes of a Hospital by Auto	II-71
Figure II.47	Percent of Population within 20 Minutes of a Major Retail Center by Transit	II-72
Figure II.48	Percent of Population within 20 Minutes of a Major Retail Center by Auto	II-72
Figure II.49	Percent of Population within 20 Minutes of a Livable Center by Transit.....	II-73
Figure II.50	Percent of Population within 20 Minutes of a Livable Center by Auto	II-73
Figure II.51	Average Transit Travel Time for mandatory Purposes	II-74
Figure II.52	Average Auto Travel Time for Mandatory Purposes	II-74
Figure II.53	Average Transit Travel Time for Shopping Purposes.....	II-75
Figure II.54	Average Transit Travel Time for Shopping Purposes.....	II-75
Figure II.55	Average Transit Travel time for Other Purposes	II-75
Figure II.56	Average Auto Travel time for Other Purposes.....	II-75
Figure II.57	Average Transit Travel time for All Purposes	II-76
Figure II.58	Average Transit Travel time for Other Purposes	II-76

Chapter 3 Figures

Figure III.1	Green Infrastructure Network	III-2
Figure III.2	Surface Water Resources of Northwest Indiana	III-7
Figure III.3	303 (d) Impaired Waterbodies 2008.....	III-8
Figure III.4.	State Approved Watershed Management Plans.....	III-11
Figure III.5	Annual Region Water Withdrawals.	III-14
Figure III.6	Water Withdrawals by Sector.....	III-14
Figure III.7	Percent of Consumptive Water Use by Sector 2002-2009.....	III-15

Figure III.8 Per Capita Public Water Use Trends III-18

Figure III.9 Managed Lands-Ownership..... III-21

Figure III.11 Regional Ozone Trends 2000-2010. III-29

Figure III.12 Annual Std. PM 2.5 Trends 2010..... III-29

Figure III.13 Remediation Site Density III-43

Figure III.14 2008 Active Clean-up Sites..... III-44

Figure III.15 Green Infrastructure Network III-48

Chapter 4 Figures

Figure IV.1 Number of Jobs by Sector IV-5

Figure IV.2 Projected Employment..... IV-6

Figure IV.3 Existing Broadband Infrastructure..... IV-21

Chapter 5 Figures

Figure V.1 Diagram of NIRPC CRP Implementation..... V-5

Appendix C: List of Tables

Chapter 1 Tables

Table I.1 Population Change 1980-2010 by Region, County and Municipality.....	I-10
Table I.1 Population Change 1980-2010 by Region, County and Municipality, continued	I-11
Table I.2 Northwest Indiana Housing Affordability Index by County	I-17
Table I.4 Current and 2040 Population by County	I-32

Chapter 2 Tables

Table II.1 Socioeconomic Forecasts.....	II-7
Table II.2 Internal Person Trip Ends.....	II-7
Table II.3 External Person Trip Ends.....	II-7
Table II.4 Truck Trips.....	II-8
Table II.5 Vehicle-Miles of Travel.....	II-8
Table II.6 Description of Roadways Types.	II-10
Table II.7 Projects that Passed NIRPC's Congestion Management Process.	II-20
Table II.8 Projects that did not Pass the Congestion Management Process.	II-21
Table II.9 Projects that Passed NIRPC's Congestion Management Process Pending a Reduction in Scope.	II-22
Table II.10 Project Selection Scoring System.....	II-27
Table II.11 List of the capacity expansion projects	II-28
Table II.12 Northwest Indiana Port Ranking by Cargo Volume, 2008.....	II-53
Table II.13 Performance Measures.....	II-65
Table II.14 Projected INDOT Investments for Highway Operations and Maintenance 2012-2040.....	II-87
Table II.15 Projected INDOT Investments Highway Construction 2012-2040	II-87
Table II.15 Highway Operations and Maintenance: Baseline Annual Financial Data by Fund for Counties and Municipalities.....	II-89
Table II.16 Transit Operating and Capital Expenses 2012-2040.....	II-90
Table II.17 Financial Projections FFY 2012-2040: MPO Controlled Federal Funds	II-91

Chapter 3 Tables

Table III.1. Current Public Water Supply Capacity in Northwestern Indiana.	III-19
Table III.2 County NAAQS Attainment Status	III-28
Table III.3 Alternative Fuel Air Emission Reductions.....	III-40

Chapter 4 Tables

Table IV.1 Persons below Poverty.....	IV-5
Table IV.2 Educational Attainment, Northwest Indiana	IV-9
