

CDBG RADON ANALYSIS EXEMPTION CERTIFICATION OF PROHIBITIVELY HIGH TESTING COSTS

SECTION 1: Project Information			
1. Grantee	2. State Project Identifier	3. Date of Review	
4. Responsible Entity Name (ER Preparer/Contact)	5. Responsible Entity Email	6. Responsible Entity Phone #	
7. Project Location Street Address	8. Project Location City	9. State	10. Zip Code
11. Description of Project Activities			

SECTION 2: Certification						
<p>Grantee/applicant understands and acknowledges that an environmental review is required by the National Environmental Policy Act ("NEPA"), 24 CFR Part 58, and other related statutes, regulations, and authorities. Grantee/applicant further understands and acknowledges that radon, a colorless, odorless, and tasteless radioactive gas must be considered in the toxic substances, radioactive materials, and hazardous chemicals analysis required pursuant to CPD-23-103 and 24 CFR §58.5(i)(2)(i)(ii).</p> <p>Upon completing the State CDBG Program Radon Applicability Checklist grantee/applicant and soliciting quotes for radon testing services from at least three (3) licensed radon professionals, Grantee/Applicant has determined the project is exempt from further consideration of radon in the toxic substances, radioactive materials, and hazardous chemicals analysis because:</p> <ol style="list-style-type: none"> 1. The total cost of the project is \$ _____. 2. The average cost of testing per site is: $\begin{array}{ccccccc} \\$ \underline{\hspace{2cm}} & + & \\$ \underline{\hspace{2cm}} & + & \\$ \underline{\hspace{2cm}} & = & \\$ \underline{\hspace{2cm}} & \div & 3 & = & \\$ \underline{\hspace{2cm}} \\ \textit{Quote 1} & & \textit{Quote 2} & & \textit{Quote 3} & & \textit{Total 3 Quotes} & & & & \textit{Avg. Cost/Site} \end{array}$ 3. The project consists of _____ sites x \$ _____ = \$ _____. <div style="display: flex; justify-content: space-around; width: 100%; font-size: small;"> # of Sites Avg. Cost/Site Total Anticipated Cost </div> 4. Therefore, the cost of radon testing for the proposed project is prohibitively high compared to the relatively low cost of the project.
