

The following list of IHCP providers have successfully completed claims testing for the Indiana PathWays for Aging program under the SEA 132 claims testing opportunity. This list is divided by managed care entity (MCE). MCEs are continuing to work with providers to process test claims. Providers that began testing on or before May 31 will be permitted to complete claims testing beyond the close of the testing window. This list is current as of 6/14/2024 and will be regularly updated.
