- (1) notice of board meetings and other communication services;
- (2) recordkeeping of board meetings, proceedings, and actions;
- (3) recordkeeping of all persons licensed, regulated, or certified by a board;
- (4) administration of examinations; and
- (5) administration of license or certificate issuance or renewal.

(b) In addition, the agency:

- (1) shall prepare a consolidated statement of the budget requests of all the boards described in [IC 25-0.5-5](#);
- (2) may coordinate licensing or certification renewal cycles, examination schedules, or other routine activities to efficiently utilize agency staff, facilities, and transportation resources, and to improve accessibility of board functions to the public;

- (4) shall operate and maintain the electronic registry of professions established under [IC 25-1-5.5](#).

(c) In administering the renewal of licenses or certificates under this chapter, the agency shall send a notice of the upcoming expiration of a license or certificate to each holder of a license or certificate at least ninety (90) days before the expiration of the license or certificate. The notice must inform the holder of the license or certificate of the need to renew and the requirement of payment of the renewal fee. If this notice of expiration is not sent by the agency, the holder of the license or certificate is not subject to a sanction for failure to renew if, once notice is received from the agency, the license or certificate is renewed within forty-five (45) days after receipt of the notice.

(d) In administering an examination for licensure or certification, the agency shall make the appropriate application forms available at least

thirty (30) days before the deadline for submitting an application to all persons wishing to take the examination.

(e) The agency may require an applicant for license renewal to submit evidence proving that:

- (1) the applicant continues to meet the minimum requirements for licensure; and
- (2) the applicant is not in violation of:
 - (A) the statute regulating the applicant's profession; or
 - (B) rules adopted by the board regulating the applicant's profession.

(f) The agency shall process an application for renewal of a license or certificate:

- (1) not later than ten (10) days after the agency receives all required forms and evidence; or
- (2) within twenty-four (24) hours after the time that an applicant for renewal appears in person at the agency with all required forms and evidence.

This subsection does not require the agency to issue a renewal license or certificate to an applicant if subsection (g) applies.

(g) The agency may delay issuing a license renewal for up to one hundred twenty (120) days after the renewal date for the purpose of permitting the board to investigate information received by the agency that the applicant for renewal may have committed an act for which the applicant may be disciplined. If the agency delays issuing a license renewal, the agency shall notify the applicant that the applicant is being investigated. Except as provided in subsection (h), before the end of the one hundred twenty (120) day period, the board shall do one (1) of the following:

(j) The license of the applicant for a license renewal remains valid during the one hundred twenty (120) day period unless the license renewal is denied following a personal appearance by the applicant before the board before the end of the one hundred twenty (120) day period. If the one hundred twenty (120) day period expires without action by the board, the license shall be automatically renewed at the end of the one hundred twenty (120) day period.

(k) The board's renewal of a license does not preclude the board from imposing sanctions on the licensee as a result of a complaint filed by the attorney general after renewal of the license.

(l) Notwithstanding any other statute, the agency may stagger license or certificate renewal cycles. However, if a renewal cycle for a specific board or committee is changed, the agency must obtain the approval of the affected board or committee.

(m) An application for a license, certificate, registration, or permit is abandoned without an action of the board, if the applicant does not complete the requirements to complete the application within one (1) year after the date on which the application was filed. However, the board may, for good cause shown, extend the validity of the application for additional thirty (30) day periods. An application submitted after the

abandonment of an application is considered a new application.

IC 25-1-6-4 Additional duties and functions; staff; requirements for renewal; delay of renewal; investigations; sanctions; staggering renewal cycles; abandoned application

Sec. 4. (a) The licensing agency shall employ necessary staff, including specialists and professionals, to carry out the administrative duties and functions of the boards, including but not limited to:

- (1) notice of board meetings and other communication services;
- (2) record keeping of board meetings, proceedings, and actions;
- (3) record keeping of all persons or individuals licensed, regulated, or certified by a board;
- (4) administration of examinations; and
- (5) administration of license or certificate issuance or renewal.

(b) In addition, the licensing agency:

- (1) shall prepare a consolidated statement of the budget requests of all the boards described in [IC 25-0.5-7](#);
- (2) may coordinate licensing or certification renewal cycles, examination schedules, or other routine activities to efficiently utilize licensing agency staff, facilities, and transportation resources, and to improve accessibility of board functions to the public; and
- (3) may consolidate, where feasible, office space, record keeping, and data processing services.

(c) In administering the renewal of licenses or certificates under this chapter, the licensing agency shall issue a ninety (90) day notice of expiration to all holders of a license or certificate. The notice must inform the holder of a license or certificate of the requirements to:

- (1) renew the license or certificate; and
- (2) pay the renewal fee.

(d) If the licensing agency fails to send notice of expiration under subsection (c), the holder of the license or certificate is not subject to a

sanction for failure to renew if the holder renews the license or certificate not more than forty-five (45) days after the holder receives the notice from the licensing agency.

(e) The licensing agency may require an applicant for a license or certificate renewal to submit evidence showing that the applicant:

- (1) meets the minimum requirements for licensure or certification; and
- (2) is not in violation of:
 - (A) the law regulating the applicant's profession; or
 - (B) rules adopted by the board regulating the applicant's profession.

(f) The licensing agency may delay renewing a license or certificate for not more than one hundred twenty (120) days after the renewal date to permit the board to investigate information received by the licensing agency that the applicant for renewal may have committed an act for which the applicant may be disciplined. If the licensing agency delays renewing a license or certificate, the licensing agency shall notify the applicant that the applicant is being investigated. Except as provided in subsection (g), the board shall do one (1) of the following before the expiration of the one hundred twenty (120) day period:

- (1) Deny renewal of the license or certificate following a personal appearance by the applicant before the board.
- (2) Renew the license or certificate upon satisfaction of all other requirements for renewal.
- (3) Renew the license and file a complaint under [IC 25-1-7](#).
- (4) Upon agreement of the applicant and the board and following a personal appearance by the applicant before the board, renew the license or certificate and place the applicant on probation status under [IC 25-1-11-12](#).

(g) If an applicant fails to appear before the board under subsection (f), the board may take action as provided in subsection (f)(1), (f)(2), or (f)(3).

(h) The applicant's license or certificate remains valid until the final determination of the board is rendered unless the renewal is:

- (1) denied; or
- (2) summarily suspended under [IC 25-1-11-13](#).

(i) The license or certificate of the applicant for license renewal remains valid during the one hundred twenty (120) day period unless the license or certificate is denied following a personal appearance by the applicant before the board before the end of the one hundred twenty (120) day period. If the one hundred twenty (120) day period expires without action by the board, the license or certificate shall be automatically renewed at the end of the one hundred twenty (120) day period.

(j) The board's renewal of a license does not preclude the board from imposing sanctions on the licensee as a result of a complaint filed by the attorney general after renewal of the license.

(k) Notwithstanding any other law, the licensing agency may stagger license or certificate renewal cycles.

(l) An application for a license or certificate is abandoned without an action by the board if the applicant does not complete the requirements for obtaining the license or certificate not more than one (1) year after the date on which the application was filed. However, the board may, for good cause shown, extend the validity of the application for additional thirty (30) day periods. An application submitted after the abandonment of an application is considered a new application.
