Indianapolis, IN – Pursuant to its authority under [Indiana Code § 25-23-1-7](#), the Indiana State Board of Nursing (the Board) recently promulgated and adopted a new final rule, under the requirements of [Indiana Code § 4-22-2](#), to make certain changes to its administrative rules provided under Title 848 of the Indiana Administrative Code (848 IAC). The Board and the Indiana Professional Licensing Agency (IPLA) are pleased to announce that the Board's new final rule is now effective, as of Wednesday, April 5, 2023. The Board's new final rule is provided under LSA Document #22-111(F), and a copy of the Board's new final rule is included with this release below. The Board's new final rule and other filings required by law from this rulemaking are available [here](#) in the Indiana Register.

The Board's new final rule makes certain changes related to the Board's Indiana State Nurses Assistance Program (ISNAP). The final rule amends 848 IAC 7-1-1, 848 IAC 7-1-2, and 848 IAC 7-1-3 to remove the term "abstinence based" from these sections of the Board's administrative rules. The final rule also amends 848 IAC 7-1-6, requiring the treatment plan referenced in the recovery monitoring agreement (RMA) to be evidence based.

More specific guidance and directions regarding any changes to administrative processes, in accordance with these regulatory changes, may be added the IPLA's ["Nursing Home" web page](#) as deemed necessary. Questions may be directed to the IPLA's staff to the Board. Please visit the IPLA's ["Nursing Home" web page](#) for specific contact information.
