Subject: 2024-2025 Formative (Interim) Assessment Grant Corporation and School Distributions

The State of Indiana provides \$14,126,474 as appropriated in House Enrolled Act (HEA) 1001 for grants to school corporations, charter schools, and accredited non-public schools to provide funding for formative assessments to identify students who require remediation. The funds will be distributed to corporations and schools for interim, formative, benchmark, screener, and similar assessments for students in kindergarten through grade 10.

IDOE applied funding algorithms (previously approved by the Indiana State Board of Education and Indiana State Budget Agency) to the submitted 2024-2025 Formative (Interim) Assessment Grant applications. The results of the distribution calculations for 2024-2025 are defined in Table 1. IDOE recommends these distributions to the Indiana State Board of Education for approval.
