Newsletter/Website:

The newsletter and website are tools to get information into the community. If you ever know of upcoming events, or have information that the community may be interested in or find helpful, please do not hesitate to contact us.

Utility Billing:

In an effort to save the Town money, the utility bills will no longer be printed on pre-perforated paper. Everything else will be exactly the same as it has been.

Communication:

We are happy and very proud, to live and work in this wonderful small community. In order to be more

effective in our jobs, we need your help. If you have a question/concern/dispute, please address it by contacting us in the office via phone or email. We are not able to respond to requests regarding Town or Utility related issues received from Facebook Messenger, our personal/home phones, or our personal emails.

If the office is closed, and it is not an emergency, please leave us a message or send us an email, and we will respond promptly upon our return to the office.

Reach Alert:

Please be on the look-out for a 5 X 7 post card in the mail. The post card has instructions on how to get set up for the Reach Alert System. Included in the instructions is the number to call if you have questions or need help getting set up.

Reach Alert gives the Council & Clerk's office, as well

as the Police Dept. means to connect with residents quicker if there is an emergency, power outage, boil order, ...etc. If you don't sign up, you won't receive notifications.

Community Chili Cookoff:

The Town, the Advance Police Department and the Advance Community Chris-

tian Church are teaming up to host a Chili Cook-off on January 28th 2018. We will put up notices on the Town's website, Town Chatter pages, and put flyers at the Town Hall, Post Office, and Fire Station.
