PAYGOV Mobile:

If you download the PAYGOV Mobile Ap in order to pay your bill online, you will need a Location Code (PLC#) to complete the account set-up. The Town's PLC# is 35843. The 3% processing fee charged by PAYGOV will still apply to bills paid through this Ap.

St Rd 75 Project:

This is a State project, not a Town project. Any and all issues relating to the construction project should be addressed directly with IN-DOT. You can visit them at www.indot4u.com to report a concern, request information and/or assistance, or search through FAQs. You can also call 855INDOT4U (855-463-6848)

We have been informed that in the next week or two, as they finish up the storm drains, excavation on the road will begin. As the project progresses, they will more than likely be working most Saturdays as well. We thank everyone for their patience during the project. When it's all done, we will have an awesome road through town.
