**Advance Food Distribution:**

The drive thru food pantry located at the Advance Volunteer Fire Dept - 106 E Wall St is held the 3rd Tuesday of each month from 4PM to 5:30PM. This is available for all Boone County residents or those that live within a 10 mile radius of Advance. When you arrive please be aware of your surroundings and watch for instructions. Please do not block streets and/or intersections. Be safe and courteous.

**Sprinkler Meters:**

Reminder: if you plan on using Town water to fill a pool or routinely water your lawn/flowers/garden during the warm months; you can receive credit for the sewage that would typically be charged on the gallons of water used during the season. In order to receive this credit you would need to have a sprinkler meter and report the beginning and ending usage to the utility office. We do have sprinkler meters available for purchase at the Town Hall for \$80.00

**Summer Safety:**

As summer and BBQ/grilling season are coming into full swing, here are a few things to keep in mind: be sure when you are done using your outdoor grill that it is completely cooled and no coals are still smoldering before it is put away/covered.

As the weather is getting warmer, remember if you are hot so are your pets; make sure they have access to plenty of water

and a shady place to be out of direct sunlight when they are outdoors.

It is also important for you to stay hydrated and wear sunblock.

If you have a pool, be sure to practice appropriate safety there as well.

Lets everyone have a fun, safe, and healthy summer!!

**Rate Reduction:**

Legislation was passed this spring which removes the Indiana Utility Receipt Tax (IURT) of 1.4% from Electric and Water Utility bills. This reduction is effective July 1st 2022. This will automatically be reflected on your bills when it goes active.
