He also asked if there would be any way to light the trees uptown, there is no electricity available. He also asked about public restrooms, Dave told him that there are too many problems with having them. The cost would be too high for upkeep and also the town does not have any property to build them on. All options proposed are not feasible at this time. The cable service has changed ownership again, to NewPath Communications no representative was present. Bruce is to get estimates for Street paving for 1997. Bruce will be attending the AWWA convention in Indianapolis on Feb 18-20. Larry made motion for expenses not to exceed \$350.00. Steve 2nd carried 2-0.
