Help keep Hamilton County kids warm this winter!

Hamilton County Kids Coats is a year-round nonprofit that provides coats to children and families each year for the winter season. Kids Coats was started by 3 women from Carmel United Methodist Church and is now a 501(c) nonprofit. They are unique in having several distribution locations because they want to bring coats to people in the towns where they live.

Coat donations are accepted all year, as well as monetary donations to help pay for the cost of repairing and cleaning donated coats.
