DELAWARE TOWNSHIP TEAM SPOTLIGHT

“I am the Operations Manager and take care of the facility rentals and property. I enjoy being able to provide spaces for people to gather for business or social events. I love telling people about the office of the Trustee and our true mission of providing assistance to those in need in our community. Our Trustee, Debbie, has changed the mission of our Community Center to provide space for non-profit organizations to meet during the week. The most favorite part of my job is meeting with these groups and learning about how they are helping the citizens of Hamilton County. None of this would be possible without the support of our facilities team who keep our buildings clean and looking new.”
